Moves To Pare Marshall Plan Aid Fund Loom

Possibility Also Arises That U. S. Will Be Asked To Supply 25 Billion Dollars

SENATORS GIVE VIEWS ON DEMAND

By GEORGE E. DURNO
(U. S. Staff Correspondent)

WASHINGTON, Sept. 24.

Moves to pare down the proposed twenty-two billion dollar Marshall plan took shape in the Senate today as the possibility arose that the United States will be asked to invest more than twenty-five billion during the next four years.

Developments

There were these developments: 1. Sen. Ferguson (R) Mich., declared total European needs can be slashed. He called for direct loans to private individuals and corporations, rather than to governments, as the best way to curb socialism. He proposed that the Export-Import Bank be expanded to handle the program.

2. Sen. McClellan (D) Ark., predicted that Congress will not approve a plan involving more than two to three billion dollars a year of American money.

3. Sen. Wilson (R) Iowa, demanded that nations to receive aid be required first to revise labor and tax legislation to make sure that their people will work as hard and be taxed in the same proportion as their American benefactors.

May Seek 25 Billion

Meanwhile, careful perusal of the Paris report on European needs under the Marshall plan convinced Washington officials that the United States will be requested to spend more than \$25,000,000,000.

This compares with an overall total of \$22,440,000,000 set down in the official Paris summary as rock-bottom to avert catastrophe and spread of communism in western Europe. The United States was earmarked for \$15,810,000,000.

The "rest of the American continent" was counted on for \$5,970,000,000. Hope was entertained that the International Bank might finance heavy equipment loans to the amount of \$3,110,000,000. European territorial possessions were listed for the remaining \$660,000,000.

Qualified spokesmen pointed out,

Pa Newc Observes

Along a number of the highways in the county, saved up trees are to be seen, a reminder of the havoc of the storm during the recent blow.

A lot of motorists apparently think they have special privilege. Numerous cars are seen speeding along the concrete of the new route 422, despite the warnings that traffic is not yet allowed on the highway.

Apparently the high wind of the recent period toppled over the huge sign along the New Bedford road (422) seven or eight miles west of the city, which was used by the state to welcome motorists to Pennsylvania. It was completely ruined.

Mrs. W. M. Janis of R. D. 3, New Wilmington road, reports seeing a young doe in the pasture at their farm just north of the city this morning. It approached to within 100 feet of the house and seemed to be quite tame.

There are still a large number of small detours in the district areas. Pa Newc notes from the Detour Bulletin of the Pennsylvania Highway Department, where repairs are being made to roads, and local motorists starting out on trips, should consult his bulletin before planning their journeys from now until cold weather sets in. There is a detour

Daily Weather Report

U. S. weather statistics for the 24-hour period ending at 9 o'clock this morning was as follows: Maximum temperature, 63. Minimum temperature, 39. No precipitation. River stage, 5.3 feet.

Statistics for the same date a year ago, follow: Maximum temperature, 77. Minimum temperature, 59. Precipitation, .03 inches.

Defense Chief In New Office

The nation's first secretary of defense, James V. Forrestal, pauses at the threshold of his new office in the Army's Pentagon building, Washington, D. C. Former secretary of the Navy, Forrestal now heads a unified command of the Army, Navy and Air Force.

Tropical Storm Appears Headed For Savannah

(BULLETIN)

SAVANNAH, Ga., Sept. 24.—(INS)—The second tropical storm within a week raged with decreased force southwest of Savannah, Ga., today after passing over northern Florida during the night.

JACKSONVILLE, Fla., Sept. 24.—(INS)—The second tropical storm within a week raged just outside Jacksonville today and appeared to be headed for the Savannah, Ga. area.

The last weather bureau advisory said the center of the storm was only 30 miles west of Jacksonville and was moving north-northeastward at 20 miles an hour.

Gusts of 70 miles an hour and winds up to 90 miles an hour were reported.

The storm which was accompanied by squalls that extended outward more than 200 miles from the center was expected to reach Savannah later today.

Pummeled Severely

Jacksonville, which was spared by the devastating hurricane that

Ask President To Curb Speculation In Grain Markets

NEW YORK, Sept. 24.—(INS)—The Congressional subcommittee investigating living costs in the east dispatched a telegram to President Truman today requesting Presidential intervention to curb speculation on the nation's food commodity exchanges.

The decision was announced by Sen. Ralph E. Flanders (R) Vt. committee chairman after hearing testimony on high prices in New York, Boston Providence R. I. and Manchester, N. H., convinced the committee that speculation on the grain market is largely responsible for high prices.

Both Flanders and Sen. Raymond E. Baldwin (R) Conn. who suggested Presidential action, admitted they knew of nothing specific the administration could do to stem speculative trading.

However, they thought the mere request by a Congressional group for action would exert pressure on the grain market.

AUSTIN NAMED

LAKE SUCCESS, N. Y., Sept. 25.—(INS)—Warren R. Austin, American delegate to the United Nations, was elected chairman of the general assembly's headquarters committee by acclamation, Wednesday.

Finn Moe, of Norway, was elected vice chairman, and Alexis Kyrou, of Greece, was chosen as rapporteur.

The sixteen members of the committee were shown a movie containing views of the U. S.'s proposed permanent home in New York City, as it now is, and also how it will look when the world capital is erected.

U. N. Committees Take Up Problems At Lake Success

Many Explosive Issues Are On U. N. Agenda After Assembly Approval

GREEK DISPUTE IS EARLY ISSUE

By PIERRE J. HUSS
(U. N. Staff Correspondent)

LAKE SUCCESS, N. Y.,

Sept. 24.—The UN General Assembly, after approving all United States-backed questions for its agenda at its Flushing Meadows plenary session, today transfers its activities to main committee meetings at Lake Success.

High on the agenda of the important 55-nation political and security committee, which meets this afternoon, is the Greek dispute. The Assembly by a vote of 38 to 6 yesterday overrode Soviet objections to admitting the question for discussion.

By usually decisive votes it decided to keep the questions of the Italian peace treaty and Korean independence on the docket. The Soviets made no attempt yesterday to block inclusion on the list of the American proposals for an interim "watchdog" assembly.

The Greek case now is third on the political committee's agenda following the unopposed admission of Yemen and Pakistan as UN members. But it may not be taken up in order.

May Last Months

The magnitude of the issues involved and the bitterness of discussion

British Paper Says West Should Part With Soviet

LONDON, Sept. 24.—(INS)—Viscount Rothermere's Independent

London Daily Mail suggested today that the western democracies part company with Russia and the Soviet satellites and end the "farce" of a United Nations organization.

In an editorial recounting the "war of words" in the U. N. General Assembly, the Daily Mail said flatly that in reality the world already is split into two halves.

The editorial declared: "We think the future would be much better served if the western nations were to say to Russia without animosity, 'You go your way and we will go ours.'"

City To Order Four Curb Traffic Lights

Mayor John F. Haven has issued instructions to City Electrician Rex Hughes to order four curb traffic lights. Upon their arrival they will be placed at North Street and Croton avenue, Croton avenue and South Jefferson street, Moravia street and Mahoning avenue viaduct and Lawrence and South Jefferson streets.

The state highway recently gave approval for the placement of the foregoing lights but rejected an application for 10 other curb lights.

United States Makes Protest To Yugoslavia

WASHINGTON, Sept. 24.—(INS)—The United States has strongly protested to Yugoslavia over that nation's "irresponsible" pressure seeking changes in the Trieste border line.

The state department said today that the United States objected to "irresponsible Yugoslav actions in presenting ultimatums to local allied military representatives demanding alterations" of the existing Trieste borders.

U. S. Ambassador Cavendish Cannon requested the Belgrade government to issue immediate instructions to end this practice, which the United States government considers exceedingly dangerous and likely to precipitate incidents leading to most serious consequences.

POLIO CASES INCREASE

HARRISBURG, Sept. 24.—(INS)—The state health department said today 299 cases of infantile paralysis have been reported in 45 counties since January 1 compared with 191 in a similar period last year.

Perry and Lebanon counties reported their first cases yesterday. One person was stricken in Perry county while two persons were infected in Lebanon county, according to the department.

York county continued in the lead with 45 cases listed officially but local reports placed the figure at 55.

The disease was expected to begin tapering off this week following the end of hot weather.

For both Washington and London

Estimate Storm Loss On Lower Gulf Coast At Hundred Million

NEW ORLEANS, Sept. 24.—(INS)—State and federal agencies rallied today to the aid of hurricane-devastated communities on the Louisiana and Mississippi coasts as first estimates placed damage at approximately 100 million dollars.

At least 53 were dead and hundreds of others still homeless in the shattered trail left by the hurricane.

The Mississippi lower Gulf coast and the hardest hit areas around Bay St. Louis were making progress in cleanup operations. Workers were removing the carcasses of more than 200 animals which dotted the windswept beach and were creating a hazard to health.

Water, electric and local telephone service were partly restored.

There was a promise of immediate

Cool Weather To Linger On

Weather Forecast Indicates Cooler Weather To Stay Over Thursday

Western Pennsylvania is due for another day of unseasonably cool weather.

While temperatures rose generally, 10 to 15 degrees yesterday, and no frost, or sub-freezing mercury readings, were recorded last night, federal meteorologists forecast "continued cool" today.

Low temperatures throughout the western part of the state were in the middle forties for the most part last night, with the mercury dipping to 40 and the high thirties in isolated instances.

By Thursday, a new cold front is expected to reach the area, bringing colder weather, probably accompanied by scattered showers.

Meanwhile, hay fever sufferers pained by the early frosts of Monday night as the "best weather" in years.

While the frost devastated some farm and garden crops, it also blighted such pollen-bearing plants as ragweed and virtually eliminated from the air the pollen that brings suffering to hay fever victims.

German Gold To Be Distributed

WASHINGTON, Sept. 24.—(INS)—The United States moved today to alleviate Europe's desperate plight by announcing plans for preliminary distribution of 330 million dollars from the German "gold pot" not later than October 15.

Acting Secretary of State Robert A. Lovett said that an Anglo-French-American commission would supervise the distribution to countries which are in a critical financial condition.

France, in particular, is expected to benefit from the action.

Soviet Refuses Broadcasts Of Marshall Plan

(BULLETIN)

VIENNA, Sept. 24.—(INS)—Soviet authorities in Vienna refused today to permit Austrian Foreign Minister Dr. Karl Gruber to broadcast over radio Vienna with a report on the Paris Marshall plan conference.

Gruber made immediate arrangements to broadcast over an American-controlled station instead.

Radio Vienna, the most powerful station in central Europe, is located in the Soviet-occupied zone of the capital.

Petkov's Execution Poses Problem For Marshall

By JOHN A. REICHMANN
(U. N. Staff Correspondent)

FLUSHING MEADOWS, N. Y., Sept. 24.—Execution of Nikola Petkov, fiery leader of the Agrarian party opposition in Bulgaria, presented Secretary of State George C. Marshall with a ticklish problem today.

The reported massacre of several thousand Bulgarians aboard a refugee train near Amritsar was investigated by a special meeting of Pakistan's West Punjab cabinet today.

Only 100 of the refugees escaped in what was believed to have been the worst massacre yet reported since division of India.

had protested Petkov's conviction not only to the Sofia puppet regime but to Moscow, whose representative dominates the allied control council for Bulgaria.

In each case the objections were summarily rejected and Britain and the United States, supposedly equal partners in the control council, were told in blunt terms to mind their own business.

The situation, as far as Marshall is concerned, is made delicate by the fact that the three Balkan states, converted during the war from Nazi to Soviet satellites, are applicants for membership in the United Nations. These are Hungary, Rumania and Bulgaria.

Kidnaped?

Statewide search is being conducted in Ohio for 16-year-old Roxie Ann Green, Prospect, O., whose father has stated he believes she has been kidnaped and slain. The girl's hair ribbon, purse and shoes have been found near her home.

Joe Solomon To Head Gaston Post

Young World War Two Attorney Is Elected For Coming Year

INSTALLATION AT NEXT MEETING

Joe Solomon, young World War Two attorney, was elected commander of the Perry S. Gaston Post, American Legion, at its annual election meeting held Tuesday evening in the social rooms of the post. He will be formally installed at the next meeting of the post on October 14.

Other officers named for the coming year were: senior vice commander, Merle H. Hildebrand; junior vice commander, Earl C. Moffatt; finance officer, John R. Hodge; chaplain, Chaplain Donald Dinsmore; historian, Ralph B. Hayes; sergeant at arms, Harold R. Hartzell; trustee, E. Gene Schweinsberg; house committee J. Nick Speed, Manning W. Weller, C. C. Sweeney, A. Lewis Conn, and Thomas W. McCormick.

Most World War Two Vets

Most of those elected were World War Two veterans showing the way in which these young veterans are taking hold of their obligations to their fellow comrades, the American Legion's objective being to render service to the community, state and nation, and to their fellow comrades.

The post voted to give \$100 toward financing the trip of the high school band to Bethlehem for the coming football game there, and also voted the customary contribution of \$140 to the Community Chest.

They will also assist in calling the attention of the public to the fact that the first week in October

YMCA Building Flooded As Main Breaks On Square

Waters unleashed when an eight-inch main on the public square gave way early this morning flooded the basement of the Y. M. C. A. and inundated the dining room of the restaurant of the same structure.

Ethos McClure, night watchman at the building, discovered the water seeping in at about 2:30 and reported the break. Some four to five inches of water had to be pumped out. The pressure of the flow also heaved some of the sidewalks in front of the building.

Water company workmen were busy this morning repairing the damage and at 10 a. m. were replacing the broken section of the main.

Affidavit Of Grew Rejected

TOKYO, Sept. 24.—(INS)—An affidavit signed by Joseph C. Grew, last pre-war United States ambassador to Japan, was rejected as evidence by the Allies War Crimes Tribunal in Tokyo today.

Following a heated courtroom argument over the document's admissibility, the judges upheld the contention of the prosecution that the affidavit contained merely opinion, not evidence.

President Takes Up Food Problems With His Cabinet

Special Cabinet Session On Food And Prices Called This Afternoon

VOLUNTARY FOOD RATIONING SEEN

By ROBERT G. NIXON
(U. S. Staff Correspondent)

WASHINGTON, Sept. 24.

President Truman today summoned his cabinet into a special session at 3 p. m. for discussion of the European famine threat and the record high costs of living in the United States.

The White House announced that the special cabinet meeting will deal with "food and food matters."

Sen. Kilgore Confers

Shortly after the cabinet session was announced, Sen. Kilgore (D) W. Va., conferred with the president and on leaving the White House quoted Mr. Truman as saying he is "doing his damndest" to curb high prices.

Kilgore conferred with the president in connection with grain speculation, which the senator asserted as an important contributing factor in the inflationary spiral.

The president is believed to have shaped his policy on the method through which the United States can increase aid to hungry nations abroad and is expected to present his recommendations to the cabinet for its approval.

Voluntary Rationing

White House sources indicated that Mr. Truman within the next 48 hours will urge the nation to adopt a voluntary rationing program in order to provide surpluses to be diverted to Europe.

Cabinet meetings usually are held on Friday morning. Urgency of the food problem resulted in the chief executive's decision to call the special meeting.

Observers believed that the president would announce his course of action on the food situation at his weekly news conference tomorrow at 10:30 a. m. (EDT).

Although this afternoon's conference is the first formal meeting of the cabinet since Mr. Truman's return from Brazil, he held a long luncheon discussion with all of the cabinet members except Secretary

Slot Machines Are Confiscated

PUNXSUTAWNEY, Pa., Sept. 24.

(INS)—State police and liquor control agents today said they confiscated 35 slot machines in one of the largest series of raids on fraternal clubs in Clearfield county.

Lieut. Frank Garndow and Liquor Control Board Supervisor Carl Newell directed 21 state policemen and seven liquor control board agents in the raids.

The clubs raided were: Fraternal Order of Elks, Moose, Eagles, Firemen's club of Chester Hill and Sons of Italy.

Franklin Woman, 103, Is Taken By Death

FRANKLIN, Pa., Sept. 24.—(INS)—Funeral arrangements were being made today for Mrs. Martha Vincent, widow of a civil war veteran, who died last night at her home in Franklin at the age of 103.

Her husband, Moore Bridges, who saw action in a number of civil war battles, died 21 years ago at the age of 89.

Mrs. Bridges was believed to be one of the oldest persons in western Pennsylvania.

Arthur Mometer

How do you get the subjects you use for your little verse, sometimes they're good, sometimes they're not, sometimes they're a trifle worse. This was the question my old friend asked as he mentioned he read the stuff. "But," continued he, "how do you know when it's just the size, and you know that it's long enough." There isn't much answer to what he asked, though he larded his question with jokes. I simply try to set down in print the doings of home town folks. And sometimes it feels and sometimes it doesn't, perhaps at times it's a bore, but we daily try for a laugh or two, and the weather is seventy-four.

UE&F Foremen's Club Enjoys Dinner Meeting

Informal Program Marks Monthly Dinner Event Held Tuesday Night

Free from speeches and prosy dissertations, the monthly dinner meeting of the United Engineering and Foundry company's Foremen's club was held Tuesday night at a dining hall on the New Wilmington road.

The dinner was built for men with good appetites and apparently everybody qualified. Heaps of spaghetti and meat balls, followed by roast chicken. With them of course were the usual complementing foods found at such dinners.

The meeting was featured by the presence of a large number of officials from the Pittsburgh office. In this group were K. C. Gardner Jr., vice president in charge of operations; Jeff Beard, vice president in charge of engineering; William Hagel, vice president in charge of sales; Joseph Dickinson, attorney for the company; Robert Douthett, industrial relations manager; Neil Crane and John Utzig of the purchasing department, and the following officials from the treasury department, Clyde Gumbert, Frank Fitzgerald, Gene Fording, Elmer Ward, Superintendent Howard B. Cummings and Assistant Superintendent Frank P. Brooks of the New Castle plant were guests. A special guest was Clark H. Johnson, formerly superintendent here, now foreign representative of the company, who returns to England this week.

All of the guests spoke briefly but all of them insisted it wasn't a speech. At least the remarks were interesting.

Sidney Turner, president of the club was in charge of the evening.

Following the dinner the men enjoyed themselves in an informal manner.

PRESIDENT TAKES UP FOOD PROBLEMS WITH HIS CABINET

(Continued from Page One)

of the Treasury Snyder and Secretary of Labor Schwellenbach on Monday.

Studying Report

The question of a special session of Congress was not expected to come up at the cabinet meeting.

The president is studying, in that connection, a detailed report on the international situation, presented to him Monday by Secretary of State Marshall and Under Secretary Lovett.

Mr. Truman's decision as to whether he will heed pleas that he call Congress back to provide temporary implementation for the Marshall plan also may be made known at his news conference.

Marshall and Lovett were said to have told the president that western Europe must have two and a half billion dollars in immediate aid from the United States if starvation is to be staved off during the coming winter.

MOVES TO PARE MARSHALL PLAN AID FUND LOOM

(Continued from Page One)

however, that the division between the United States and other nations of the western hemisphere indicated only the sources from which food, fuel, raw materials and capital equipment might be obtained—not who would foot the bill.

With the possible exception of Canada and Brazil, it was not anticipated that any of the other Pan American governments would be in a position to furnish what amounts to dollar aid. Grains, etc., are available for export in South America, but the countries in question are short of dollars themselves and would want payment in that currency.

Thus, officials estimated, Uncle Sam would have to underwrite virtually all of the \$21,780,000,000 allocated for the western hemisphere.

Hope of the 16 European nations for a \$3,000,000,000 loan from the International Bank was not raised appreciably by Vice President Robert L. Garner.

Should Be In Loans

Finally, and outside of the overall \$22,440,000,000 figure, the Paris formula stressed need for a \$3,000,000,000 currency stabilization fund. Inasmuch as any currency stabilization would be pegged to the dollar, again the U. S. would be expected to put up the money.

Ferguson contended that U. S. aid should be in loans and not gifts and should be handled through the government's Export-Import Bank or the Reconstruction Finance Corporation.

McClellan said he will support the plan. He declared it will operate to force the showdown with Russia which he believes necessary, but predicted that Congress will not approve \$4,000,000,000 annually for four years.

Sen. Wilson declared that if European countries are permitted to indulge in short working hours and light taxation, "the so-called Marshall plan will be only a glorified WPA."

And of course there are still the detours on the New Wilmington and road to Pulaski, out of New Wilmington. The current bulletin is posted in the lobby of The News, as well as the Motor Club and other public places.

Artist Attracts Many To Mission

(Continued from Page One)

Artist-evangelist Charles E. Pont, attracted many to the City Rescue Mission, Tuesday evening, for the first in a series of Bible talks and lectures, which will be given nightly at 7:45 o'clock until Sunday evening, September 28.

At the Tuesday evening service, the theme, carried out centered on the fifteenth chapter of the Gospel of John, with the artist portraying his thoughts on the canvas. The Mission girls trio, was heard in a medley of Gospel hymns.

Superintendent Wertz announces that on Friday, Saturday and Sunday evenings, Rev. Pont will speak on prophetic themes, with a mass rally to take place Sunday afternoon at 2:30. The picture drawn on Tuesday evening, will be presented to the one bringing the largest group to the service tonight.

Today, Rev. Pont is in Pittsburgh, where he has been given special permission to photograph the U. S. Steel Company, facilities there. He is the only person to be given such permission. He will return to the city to speak at the 7:45 o'clock service this evening.

TROPICAL STORM APPEARS HEADED FOR SAVANNAH

(Continued from Page One)

sweet southern Florida last week, was pummeled severely by one of two tornadoes that struck the peninsula state yesterday.

Two homes were destroyed and 15 others were damaged by the twister that swept over the Jacksonville area yesterday morning and then plowed through southeast and north Jacksonville.

The second tornado roared into Ocala in north central Florida but no serious damage was done. Two homes were damaged at nearby Lynn, by no persons were reported injured.

Winds Increase

Winds were reported increasing in intensity along the Georgia and Carolina coastline as well as in north Florida but were dying down in the southern part of the peninsula.

In the Everglades area, of south Florida prisoners joined citizens in battling against flood tides.

Dikes were reported holding against the flood in the rich Lake Okechobee area. Red Cross Chairman Joe Yates said the winds and rains in that area were subsiding.

Red storm warning flags, however, continued to fly from Cape Hatteras to Apalachicola on the Florida gulf coast.

Jury May Get Overell Murder Case Next Week

SANTA ANA, Cal., Sept. 24.—(INS)—The first definite indication as to when the Overell murder trial, one of the longest in California history, would end came today with the prediction that the jury would get the case some time next week.

The prediction was made by court attaches as the prosecution ended its rebuttal yesterday. The defense is expected to make its counter rebuttal today, while tomorrow was set aside for one last visit of the court and jury to the yacht where Financier Walter E. Overell and his wife died in an explosion.

No court sessions will be held Friday, and next week will be given over to final arguments by defense and prosecution and instructions to the jury. Then the six men and six women will be asked to decide.

The state's case—Beulah Louise Overell and George Gollum bludgeoned to death her wealthy parents and then dynamited the yacht, Mary E. in Newport Harbor last March 15 to erase traces of the crime.

The defense's side—Overell and his wife were accidentally killed by a premature blast from the dynamite the financier ordered purchased or that the couple committed suicide.

ESTIMATE STORM LOSS ON LOWER GULF COAST AT HUNDRED MILLION

(Continued from Page One)

federal aid. President Truman yesterday ordered Maj. Gen. Phillip W. Fleming, Federal Works Administrator, to make a personal survey and take over relief coordination in Louisiana, Mississippi, a section of Alabama and Florida.

Make Relief Available

Surplus government equipment and supplies including army rations, were being made available.

On its second and last mighty surge inland, the hurricane took 13 lives in Louisiana, although there were no fatalities in the city itself.

In the Mississippi coast area, 20 persons lost their lives and a Nat. cheez, Miss. linesman was killed while repairing lines.

The casualty figure may be increased slightly after thousands of acres of marshland in the two-state area have been searched completely.

Huge Loss In Florida

Before surging across the northeast Gulf of Mexico, the storm caused 20 million dollars damage in Florida and took 19 lives. Alabama assessed its damage at over the million mark.

Louisiana property damage was placed at several hundred thousands of dollars over the seven million dollar mark, with most of it in New Orleans.

A bare survey of Mississippi brought estimates as high as 50 million dollars.

In addition, transportation services will be disrupted for a period of probably three months. It will cost two million dollars to repair the railroad bridge over the bay at Bay St. Louis.

The Mississippi Highway Department estimated another two million dollars would be required to reopen the highway along the Mississippi coast.

A large part of the Mississippi shrimp industry was destroyed in the hurricane. The loss in boats, canneries and equipment was placed at fifteen million dollars.

Woman Waiting For Football Tickets Injured By Auto

(Continued from Page One)

Mrs. Olive McGregor, Walmo, R. D. 3, received an injury to her right ankle when she was shoved against the left front wheel of an auto operated by Cyrus Horner, 305 East street, at 9:40 a. m. today at North street and Cochran Way.

According to the report made to police there was a line of people waiting to buy football tickets.

Mr. Horner was driving south in Cochran Way.

The line broke to let him drive through when suddenly, some people started shoving and forced Mrs. McGregor against the wheel.

Mrs. McGregor was taken to a doctor's office for attention to her ankle.

Open House Sunday To Observe Golden Wedding Anniversary

On September 29 Mr. and Mrs. Howard Pyle, of the Pulaski-Mercer road near Mercer, will have been married 50 years and will celebrate their golden wedding milestone on Sunday September 29, with a family dinner at 1 o'clock at the hotel in Mercer to be followed by open house during the afternoon and evening at their home. Hours will be 3 o'clock in the afternoon to 7 o'clock in the evening.

Mr. and Mrs. Pyle were married in the parsonage of the Vienna, O. Presbyterian church, September 28, 1897 by Rev. Robert Stranahan. Mrs. Pyle is the former Maudie Lomax, of Lowellville, O., the daughter of the late Alice and John Lomax and Mr. Pyle is the son of

ALPHA GAMMA DELTA OPENS FALL SEASON

Alpha Gamma Delta sorority alumnae chapter was entertained for its opening meeting of the fall season on Tuesday evening in the home of Mrs. William L. Klee, 434 Boyles avenue, with Mrs. Ralph A. Cooper and Mrs. Robert G. Dickson as associate hostesses.

Miss Jane Ramsey, from the Alpha Gamma Delta chapter at Westminster College, who was one of the delegates to the national convention at Banff, Canada, during the past summer, gave a most entertaining account of the convention as the highlight of the evening.

Remainder of the evening was spent informally and refreshments were served at the close.

October meeting will be October 28 in the home of Mrs. Bart Richards, 1711 E. Washington street, with Mrs. Robert A. Weingartner and Mrs. Charles Jaquish as associate hostesses.

20TH CENTURY CLASS DINNER AT CHURCH

Twentieth Century Bible class of the First Presbyterian church met in the church dining room Monday evening for a dinner followed by the regular monthly meeting. Dinner was served by the hostesses, Mrs. H. E. Golder, Mrs. Mont Bagill, Mrs. Morgan Jones, Mrs. Susan Farrar, Miss Della Glenn and Miss Pearl Dufford.

Several guests were among those present and a gift was given to Mrs. Thomas Morgan, who leaves soon to make her home in Youngstown. Another feature of the evening was the presentation of a birthday cake to Mrs. Elizabeth Walker, of Walnut street, in remembrance of her 33rd birthday.

As the highlight of the program Dr. R. F. Galbreath gave a short address and devotionals were conducted by Miss Maude Elder on the theme, "What the Bible Should Mean To Us".

Honored On Birthday

At the home of Mr. and Mrs. Edward Welkenbach of West Washington street extension a group of young folk gathered on September 20. The occasion was in honor of the birthday anniversary of Miss June Norris and took the form of a Wiener roast.

Various games were the diversion of the evening.

A tasty lunch was served by the hostess, assisted by Irene Stevenson and Hazel Hike. The honored guest received many lovely gifts.

MITOLO-GENAREO ENGAGEMENT TOLD

At a recent evening dinner-party held by a group of friends at the home of Mrs. William L. Klee, 434 Boyles avenue, the engagement and approaching marriage was announced of their daughter, Miss Jennie Mitolo, to Joseph Genareo, son of Mr. and Mrs. Ralph Genareo, of 1931 Hamilton street.

The engagement will terminate in a wedding on Monday, November 24.

OPEN HOUSE WILL DISPLAY PAINTINGS

Watercolors, oil paintings, and hand-painted china, the work of the late Mrs. Olive Green Pyle, will be on display in the home of her daughter, Mrs. Jack McComb, 422 East Winter avenue, Wednesday, Thursday and Friday evenings.

Mrs. Pyle was well known during her lifetime for her paintings of familiar scenes of scenic points in Western Pennsylvania and other states, as an art teacher, and she was a member of the Art Club, formerly active in New Castle.

Exhibit of her work will afford her many friends and acquaintances here an opportunity to view her many lovely paintings and hand-painted china. They will be on display during the entire evening for the three days.

McNEISH WEAVER BETROTHAL TOLD

Announcement of the engagement of Miss Roberta McNeish, daughter of Mr. and Mrs. Charles McNeish of 430 North Broad street, Grove City, and Merle Weaver, son of Guy Weaver of Cassuth, Pa., and the late Mrs. Weaver, was made at a bridge party given on a recent evening in the McNeish home.

Miss McNeish was graduated last spring from Grove City college department of music and is an instructor in the Linesville-Summit-Conneaut consolidated school.

Her fiancé is a pre-theological student at Westminster and is conducting charges at the Pulaski and King's Chapel Methodist churches. He was graduated from Mendocino Business college and was employed in Washington, D. C., before serving three years in the AAF. He attended Grove City college for two years and was active in music circles on the campus.

Chatterette Club
Members of the Chatterette Club met on Tuesday evening at the home of Mrs. Thomas McCormick, R.D. 5.

Two tables of 500 were in play, with trophies going to Mrs. Richard Hietich, Mrs. Robert Jenkins and Mrs. Lennie Krueger. Mrs. McCormick was remembered with a gift on her birthday. Lunch was served by the hostess.

Shaffer-Bigham Engagement
Announcement is made of the engagement of Miss Eleanor Jean Shaffer, of 713 Cleveland avenue, and Richard Bigham, of 66 East Emmerling avenue, Akron, O. No date has been set for the wedding.

Miss Shaffer is employed at the G. C. Murphy Company and Mr. Bigham at the Firestone Tire & Rubber Company in Akron.

Loyal Leaders Class
Loyal Leaders class of the First Christian church will meet at 7:30 in the IOOF hall and officers will be elected.

Families will be guests.

Theta Rho Group
Melissa Fenton Theta Rho group will meet Thursday evening at 7:30 in the IOOF hall and officers will be elected.

HECKMAN-AYRE CHURCH WEDDING

Before an altar banked with palms and ferns, flanked by two candelabras, at Jerusalem Reformed church, Fredonia, Pa., Miss Ila Marie Heckman, daughter of Mr. and Mrs. Ernest E. Heckman of R. D. 1, Fredonia, became the bride of Raymond Charles Ayre, son of Mr. and Mrs. William J. Ayre Sr., of 912 Warren avenue, this city, at 7:30 p. m., September 20.

Rev. J. Miles Waiour, pastor, performed the ceremony, using the double ring service by candlelight. The bride was given in marriage by her father, Miss Lucille Baer sang several nuptial songs accompanied by Mrs. Robert Nist.

The bride was attired in white satin gown with train, rayon marquisette yoke edged with wide lace, long sleeves tapering to a point at wrist, finger tip veil, and carried a bouquet of white gladioli with cascade. Her only jewelry was a double strand of pearls, a gift of the groom. Maid of honor was Betty Jane Heckman, sister of the bride, who wore a lime green gown, pink gloves and headress carrying a bouquet of pink gladioli. Best man was Richard Ayre, brother of the groom. Ushers were William J. Ayre Jr., brother of groom, Carl E. Heckman, brother of bride.

A reception followed at the home of the bride's parents.

The couple went for a wedding trip to the southern states. Upon their return they will reside in their newly furnished apartment at 1109 Highland avenue.

The bride graduated from Stoneboro high school in 1944, and was employed at a beauty shop in Greenville. The groom attended New Castle high school, and is employed at Square Deal Garage, this city.

EVENING SHOWER FOR BRIDE-ELECT

A miscellaneous shower given in the home of Mrs. Sam Vanassa, 1024 Court street, on a recent evening honored Miss Margaret Vanassa, a bride-elect.

During the course of the evening, games were enjoyed and the following were winners: Mrs. Mary Boni, Mrs. Mary Bailey, Mrs. Leola Cicci, Mrs. Laura Mundtack, Miss Frances Kwiat, Miss Marie Boni and Miss Margaret Vanassa. Later refreshments were served by Mrs. Rose Weaver, Mrs. Elizabeth Vanassa, Mrs. Lawrence Nocera, Mrs. Sam Vanassa and Mrs. Delphine Vanassa. The honoree was the recipient of many lovely gifts of a miscellaneous nature.

Miss Vanassa is the daughter of Mr. and Mrs. Mike Vanassa of 307 South Vine street and will become the bride of Sam Bonelli, son of Mr. Mary Bonelli of 1029 1/2 South Mill street, at an open church ceremony at St. Vitus church on Thursday, September 25, at 9 o'clock in the morning.

The bride-elect has chosen Miss Patty Bonelli as her maid of honor and Harry Richards will serve as best man.

MRS. CLARE LUTZ MISSION SPEAKER

Mrs. Clare Lutz was the special speaker Monday evening, at the regular meeting of the L. D. K. Missionary society of the Third U. P. church. Mrs. Lutz addressed the group on "Child Evangelism", at the home of Mrs. Leroy Sates, Rose avenue.

The program was in charge of Miss Reba Sines, with business being conducted by Mrs. Fred Thompson. Three delegates were appointed to attend Presbyterial on October 16. Lunch was served by the hostess aided by co-hostesses, Mrs. Howard Burdett and Mrs. Mabel Huffman.

Mrs. J. Paul Graham will entertain the group at her home, 1309 East Washington street, on October 27. Miss Dorothy Craig and Miss Reba Sines will be hostesses while Miss Mabel Coier will be in charge of the program.

Shaffer-Bigham Engagement
Announcement is made of the engagement of Miss Eleanor Jean Shaffer, of 713 Cleveland avenue, and Richard Bigham, of 66 East Emmerling avenue, Akron, O. No date has been set for the wedding.

Miss Shaffer is employed at the G. C. Murphy Company and Mr. Bigham at the Firestone Tire & Rubber Company in Akron.

TELEPHONE 879

OFFICES—THE CASTLETON

NEW CASTLE, PENNSYLVANIA

Dear Mrs. New Castle:

This isn't the first time the men came pleading for help from the ladies. When there's a job to be done that needs that certain touch, that extra finesse, somebody always comes up with that famous quotation: "The Hand That Rocks the Cradle Rules the World." Which isn't exactly news to the ladies.

This is a problem of hospitality with a very large dollars and cents angle. Visitors are going to stream into New Castle until the walls begin to buckle and the park benches are full. It is only common courtesy to find places for these people to sleep. And they're nice people, too. Folks from the farms, people who handle the big jobs in business and industry, ministers, teachers, accountants, postal clerks. You see, they are the same kind of people who live in your neighborhood, play bridge with you, go to church and send their youngsters to school with yours.

Since our hotels are going to fill up quickly, we are asking a selected list of New Castle hostesses to give us a lift. We know perfectly well you can go out and buy a hat any time you need one. Here's a chance to help us out and still have something more to show for your effort than plain personal pride in your community. You are proud of your home. Well, "thar's gold in them thar frills."

Convention business is just like another payroll in town. Only it doesn't require a factory building. That's where you come in. Please take a moment to look through the little folder that will come in your mail. Then drop your card in the mail — or call us on the phone.

In addition to our convention visitors we have the 150th anniversary of the founding of New Castle coming up next year. You'll certainly want to help us put our best foot forward, then as now. Our first test will come this October, next month, with State Grange Convention. Please send that card so WE can begin to sleep nights!

Conventionally yours,

Ivor V. Davis

President

"Dedicated to Development of Industry, Commerce, Culture and Civic Welfare"

WEDDING FRIDAY TO BE OPEN CHURCH

Announcement is made of plans for the open church wedding on Friday evening, September 26, of Miss Betty Lou Johnson of 1108 Wilmington avenue, and Elmer Francis Salzman, Jr., of Edenburg.

The wedding will be solemnized at 7:30 o'clock in Mahoning Methodist church with Rev. John L. Petrie to officiate.

The bride-elect has asked Mrs. Leroy Todd to be her matron of honor and Mr. Todd will attend the prospective groom as best man.

GOFF-GARRETT BETROTHAL TOLD

Mr. and Mrs. Frank L. Goff, of New Wilmington, R. D. 1, announce the engagement of their daughter, June, to Donald Raymond Garrett, son of Mr. and Mrs. Charles Garrett, of the Pulaski-Middlesex road.

No date has been set for the wedding.

NOTICE!
Pauline Myers Carothers is now with the Frances Beauty Shop 206 Johnson Bldg. and will be glad to welcome her friends and patrons.

EUROPE'S FIRST NEED STILL SELF HELP

American citizens who will be required to foot the gigantic bill, have been given little information as to the workings of the "Marshall Plan" for rehabilitation of Europe, which has developed a report from the sixteen nations that around twenty two billion dollars will be needed, largely from United States.

Analyzing the situation, The Philadelphia Inquirer goes into a number of the vital aspects of the situation in the following:

Western Europe has now told America how much it believes it needs from us during the next four years and what the 16 nations that have been exploring the "Marshall Plan" think they can do for themselves.

The figures of suggested outside help—chiefly American help—are staggering: \$19,330,000,000 from the United States directly from 1948 to 1951; \$3,110,000,000 from the International Bank.

On the other hand, the 1500-word summary of the conclusions of the Paris Economic Conference offers the disappointing statement that under favorable conditions and only with American aid the 16 nations, during those four critical years, may earn about \$15,000,000,000 by their own efforts.

Added up, Britain, France, Italy and other nations which have associated in this survey in spite of the Soviet boycott, consider \$35,000,000,000 or more essential to get their countries out of post-war wreckage and disastrous economic stagnation and headed toward self-sufficiency.

The end result, so far as the United States is concerned, is that the \$22,000,000,000 of outside aid would have to move at the rate of \$8,040,000,000 in 1948; \$6,350,000,000 in 1949; \$4,650,000,000 in 1950 and \$3,400,000,000 in 1951. And even so, the 16 nations agree, the plan would lag and might fail unless they and other countries can sell their goods on a large scale in American markets.

Whether these huge requirements are excessive and should be scaled down; whether European assessment of capacity for self-help is underestimated, are matters that must be closely tested. But we are not convinced that the 16 nations have dealt realistically with their own capacities and resources.

There are proposals, stated in generalities, for cooperative efforts to increase power production, mine more coal, improve transportation, grow more wheat, produce more fats and oils, turn out more steel and machinery. There is to be a continuing study, with a hoped for early report, by a commission on a customs union. Some consideration apparently has been given to measures to improve trade operations.

But it must be said that the summary report, which may appear in a better light when the full 20,000-word report is published over the coming week-end, offers no greatly encouraging indications that cooperative action among the 16 nations on the fullest possible scale is in the offing.

Needed reforms in governmental operations have been left out of the picture. There is not in the plans presented much, if anything, of the spirit that might lead to a "United States of Europe."

We have, at any rate, what western Europe considers it can do and what it hopes we will do. In his Harvard speech of June 5 Secretary of State Marshall called for a European program which might be supported by us "so far as it is practicable for us to do so."

That raises the next question. The American people have not yet been told—if, indeed, the information regarding our resources under President Truman's directive is ready—how much aid it is "practicable for us" to give. That must be ascertained and made known before either people or Congress can decide on action.

The 16 nations give somber assurances of imminent collapse if American help is not forthcoming. There are already current crisis which seem to need hurried emergency treatment. These are aside from the long-range "Marshall Plan" problems.

That plan must now be squared to two vital questions: How accurate is the 16 nations' prospectus of needs and their own productive capacities? What is the limit to which resources of America can be expended to pull Europe away from chaos and Communism?

We must be sure that western Europe is really going to help itself to the utmost of its ability. The 16 nations, no matter what they think they need, should be given to understand that help from the United States cannot go beyond the safety point of our own resources.

It was an Arkansas editor who predicted prices would have to come down eventually, just to refuel if for no other reason.

There is only one chance in 375,000 that you will be killed by lightning. Which leaves the field practically clear for the motor car.

President Truman says that good men for the government service are hard to find. And such few as there are seem to live in Missouri.

It is said we will soon have pictures which will enable us to look around corners. Wonder whether they will permit one to look over the transom?

Hints On Etiquette

It is never smart to be late for an engagement, whether it be formal or informal.

Washington Calling

By Marquis Childs

Politics Is Only Luxury In Greece

ATHENS, Greece, Sept. 24.—Politics is the only luxury left to the people of Greece. It is their sport, their recreation, their art—everything.

A session of the Greek parliament combines the excitement of a bull fight, a football game, and opera in the grand style. Partisans pack the boxes and the galleries. The dramatic entrance of each leader is cheered with wild enthusiasm.

The ladies of Athens attend in their smartest clothes, wearing gloves and hats which one almost never sees on women in the streets. They applaud with a fervor that in the United States might be accorded to a combination of Lily Pons and Bob Feller.

The Greek passion for politics is carried to the point of pathology. The contrast with a country such as Switzerland is startling. The Swiss are careful cautious managers who feel that they can hardly afford political controversy; the average Swiss could not tell you the name of the President of Switzerland.

Politicians National Heroes

Here even minor politicians are national heroes, each with a personal following giving unquestioning loyalty. The political feuds have ancient roots, and when the outsider tries to untangle them he finds himself in a bewildering maze of complications. This is one of the difficulties the American aid mission to Greece has encountered in trying to bring some order and direction to a nation close to chaos.

It explains why so much hope is pinned on the head of the new government. Theomistoches Sophoulis. (Continued on Page Seven)

Looking At Life

By Erich Brandeis

The new Chief Executive of the Hotel Waldorf Astoria, F. A. Ready, has written an editorial which appears in the "Staff News," a little magazine published for the establishment's employees.

I want you to read part of that editorial, because it applies so well to all of us.

"In any business an inventory is taken ever so often to find out what is in stock and how much recording is necessary," says Mr. Ready.

"This practice is particularly necessary for those whose business is chiefly one of service, such as our own."

"A personal inventory sheet would show if we are running short of courtesy, if our supply of friendliness is large enough to meet all demands, whether or not we are neglecting our personal appearance, what our code of conduct really adds up to."

"There can be no argument but that ours is an ideal business to be in, if we will first set our standards high and then live up to them."

"This does not mean just an occasional show of good manners or behavior. It is keeping every encounter with others on a high level of courtesy, consideration, friendliness and dignity. And above all, it is a 'United States of Europe.'"

We have, at any rate, what western Europe considers it can do and what it hopes we will do. In his Harvard speech of June 5 Secretary of State Marshall called for a European program which might be supported by us "so far as it is practicable for us to do so."

That raises the next question. The American people have not yet been told—if, indeed, the information regarding our resources under President Truman's directive is ready—how much aid it is "practicable for us" to give. That must be ascertained and made known before either people or Congress can decide on action.

The 16 nations give somber assurances of imminent collapse if American help is not forthcoming. There are already current crisis which seem to need hurried emergency treatment. These are aside from the long-range "Marshall Plan" problems.

That plan must now be squared to two vital questions: How accurate is the 16 nations' prospectus of needs and their own productive capacities? What is the limit to which resources of America can be expended to pull Europe away from chaos and Communism?

We must be sure that western Europe is really going to help itself to the utmost of its ability. The 16 nations, no matter what they think they need, should be given to understand that help from the United States cannot go beyond the safety point of our own resources.

It was an Arkansas editor who predicted prices would have to come down eventually, just to refuel if for no other reason.

There is only one chance in 375,000 that you will be killed by lightning. Which leaves the field practically clear for the motor car.

President Truman says that good men for the government service are hard to find. And such few as there are seem to live in Missouri.

It is said we will soon have pictures which will enable us to look around corners. Wonder whether they will permit one to look over the transom?

Stalled Again!

The Parent Problem

By Garry C. Myers, Ph. D.

PLAY PEN IS USEFUL FOR BABY

A very essential piece of furniture for the baby from about six months to a year or more in age is the play pen. A husband handy with tools can make one. Good ones may be bought. Whether purchased or made by hand the floor of the play pen should be several inches from the floor, reducing drafts. The times or slats should be close enough not to permit the youngster to put his head between them. The play pen should be strong and sturdy.

During this age range the baby begins to roll, creep, climb, walk. The busy mother hardly has time to keep him safe and things safe from him without the help of a play pen. Even if the mother has nothing else to do watching the child creeping or toddling freely about the house is a trying job. Of course, even at eight months or earlier he can be trained by a skillful mother to avoid specific acts and things. Yet the training can be so much easier and effective if there are brief training periods with most of his waking hours in the play pen. Yes, the mother might use the child's crib as a play pen. But that would bring complications with his sleeping habits.

In the play pen he can learn not to require constant attention. Given a few playthings he can learn safe self-amusement. Furthermore, he can learn gradually to pull himself to his feet, and later to stand, holding with both hands to the side of the pen, then with one hand. The other day I saw a grandson of ours standing in the pen without holding to anything. Having first done it on that day he repeated it a number of times with happy smiles.

By the way, knowing that two young grandchildren (from Cleveland and Philadelphia) would spend a few weeks each at different times with us last summer, we purchased a play pen as permanent equipment. Moreover, when the old house in which we live was remodeled, Mrs. Myers designed a low cupboard in our living room and filled it with a set of good-sized building blocks for the grandchildren when they might come and for other little guests who might visit us.

Beginning To Walk

In training the little child beginning to creep or walk not to get into everything, chose a few short periods a day for the child to be "loose" on the floor. Put away a few of the frailest objects. Center on one or two remaining things he must not touch. Be right there. The moment he touches that thing, slap his hands or bare thigh with your bare flat hand for each and every time he touches the forbidden thing, saying "No" just once in a moderate tone.

Never pull him away or warn him but let him always get instant pain so that the object or act itself becomes so repellent to him that he soon will avoid it permanently and automatically. More in detail I explain in "The Parent Problem" (Continued on Page Seven)

One Man's Opinion

By Walter Kiernan

No woman who has bought butter recently will be impressed by the price of European recovery.

"Fifteen billion is regarded as a reasonable outlay for anything today. . . . Even when you don't get delivery."

There may be some doubt as to where the money will come from but the plan is crystal clear as to where it will go.

Still we should be able to swing it unless the people of Florida, Louisiana and Mississippi get the idea in their heads that they're as much entitled to rehabilitation aid as Europe.

I hear the President is undecided whether to call a special session of Congress or take another trip.

There's no question about it that things are getting worse every day. . . . Now all the standing room for the series has been sold out.

Just Folks

By EDGAR A. GUEST

MOTHERS AND GOSSIPS

Whenever mothers chance to meet. What is it that they talk about? Most often what should children eat. And what to do with frocks worn out.

How stop the trait of sucking thumbs. And what to give when fever comes. I've heard them gathered in a group. And never a bad word was said. The talk was all of colds and croup. And how to get a child to bed; What books to read, what games to play.

How guard the youngsters, night and day. The mothers are a busy crew. They've little time for gossip small.

Or watching what their neighbors do. And noticing who comes to call. Their only thought till day has sped: To see the children safe in bed.

The gossips are an idle throng: They're time through window panes to stare. And wait and watch and fancy on. And carry rumors here and there. The worst of gossips I have known Had never a child to call her own.

(Copyright, 1947, Edgar A. Guest)

Words Of Wisdom

Trust no secrets to a friend, which, if reported, would bring infamy.—Thales.

From Me To You

By MESEALL

Of interest to lovers of art. . . . Several years ago we carried an item concerning the works of a local artist. . . . Olive Green Pyle. . . . Mrs. Pyle during her lifetime painted many fine pictures on canvas. . . . and then carried her art further and decorated fine china. During the early years of her life. . . . when her daughter (now Mrs. Eleanor Pyle McComb) was but a small girl Olive Green Pyle painted a picture each evening so that when the little girl awoke in the mornings she would have a new picture to look at. . . . which her mother said the fairies painted.

Olive Green Pyle has long since been gone but her fine art work lingers on. . . . seemingly gathering more beauty through the years. Today the artists of New Castle have prevailed upon the daughter, Mrs. McComb, to display the works of her mother to the general public.

It is with pleasure that we announce at this time that an open house will be held. . . . Tonight, Thursday and Friday evenings at 422 East Winter avenue. . . . the home of Eleanor Pyle McComb where all who are interested might leisurely browse about and examine the treasure of art.

Mrs. McComb informs us that she will have an early dinner. . . . and all who like might call any time during the three evenings. Friends, you will like the art work. . . . the same as we did when we paid a visit to the artist years ago.

For a bit of sad news. . . . Principal Asa Hoffmaster, Croton and North Street schools informs us that he has found a student season football ticket. If a boy by the name of E. King identifies himself at the North Street school. . . . he may secure the cardboad. No doubt the lad is very sad about having lost this bit of personal effect.

Bible Thought

Charge them that are rich in the world that they be not high-minded, nor trust in uncertain riches, but in the living God, who giveth us richly all things to enjoy; that they do good works, ready to distribute, willing to communicate; laying up for themselves a good foundation against the time to come, that they may lay hold on eternal life.—1 Timothy 6:17, 18, 19.

The World and the Mud Puddles

A SEA BALLAD AND BEHIND

Perhaps the reader has been spending his summer vacation down by the sea and as a part of that vacation, naturally, went sailing. If he was nautically disposed and if he was lucky in having a friend with a fine sailing vessel, he was fixed. And perhaps he became a part of a joyous crew who sang ballads of the sea.

Here is one that has an "Alice of Wonderland" flavor, the author of which has the same family name, that of "Carroll". The mind of this Englishman, Bevin, must have been running on in just the same way as Mr. Carroll's mind ran when he concocted this sea ballad, for Bevin's good distributing suggestion to the United States evidences this:

A capital ship for an ocean trip Was the "Walloping Window-blind", No gale that blew dismayed her crew

Or troubled the captain's mind. The man at the wheel was taught to feel Contempt for the wildest blow, And it often appeared, when the weather had cleared That he's been in his bunk below.

CHORUS: Then blow, ye winds, heigh-ho! A'roving I will go, I'll stay no more on England's shore, So let the music play-ay-ay, I'm off for the morning train, I'll cross the raging main, I'm off to my love with a boxing glove, Ten thousand miles away.

The boatswain's mate was very seate, Yet fond of amusement, too; And he played hop-scotch with the starboard watch While the captain tickled the crew.

And the gunner we had was apparently mad, For he sat on the after rail, And fired salutes with the captain's boots, In the teeth of the booming gale.

The captain sat in a Commodore's hat And dined in a royal way On toasted pigs and pickles and figs. And gummi bread each day. But the cook was Dutch and behaved as such; For the food that he gave the crew

Was a number of tons of hot cross buns Chopped up with sugar and glue. And we all felt ill, as mariners will, On a diet that's cheap and rude; And we shivered and shook as we dipped the cook

In a tub of his gruesome food. Then nautical pride we laid aside, And we cast the vessel ashore On the Guilley Isles where the Poochpoo smiles, And the Anagazanders roar.

Composed of sand was that favored land, And trimmed with cinnamon straws, And pink and blue was the pleasing hue

Of the Tickletoes teasers claws. And we sat on the edge of a sandy ledge And shot at the whistling bee; And the Binnacle-bats were water-proof hats, As they danced in the sounding sea.

On rubagub bark, from dawn to dusk, We fed, till we all had grown Uncommonly shrunk—when a Chinese junk

Came by from the Torrible zone. She was stubby and square, but we didn't much care, And we cheerily put to sea; And we left the crew of the junk to chew

The bark of the rubagub tree. WASHINGTON—Sen. McGrath (D) R.I., reporting that cattle are being slaughtered faster than they are reproduced: "This means that the meat situation will be worse in 1949."

BOSTON—Henry A. Wallace: "The United States with all its wealth. . . will never win a third world war. We have not strong Allies."

PARIS—British Foreign Secretary Bevin, urging favorable action on the European aid request: "It would be incredible if the United States turned down a project that would aid her as much as it would western Europe."

WASHINGTON—Sen. Morse (R) Ore., predicting drastic revision of the Taft-Hartley bill next year: "Our best answer to Vishinsky's ranting (at the UN Assembly) is to check the malpractice of the few powerful economic interests who are rapidly reducing the average American business man to the position of a day worker at the machine of American monopoly."

Inside Washington

Price Control Return Remote Despite Costs Marshall Plan Could Bring Labor Shortage Pre-Session Congress Hearings Suggested

WASHINGTON, Sept. 24.—Despite soaring prices, do not look for any restoration of government price controls. There is virtually no chance that they will come back.

Congressional leaders of both parties are convinced that the American people would never stand for a return of the OPA or anything like it in the peacetime economy. Although a control program might get labor support, the entire business community could be expected to fight it vigorously and effectively.

However, one step against rising prices may be in the form of tightening of expert controls. The government may see fit to act in response to the growing protest against sending American goods out of the country in a period of domestic scarcity.

Another, less tangible move may be a step-up in the administration's pleas to business for price reductions. These pleas, begun months ago, have thus far failed to produce any clear cut result.

Incidentally, the Marshall Plan for aiding Europe may contribute to even higher prices here at home. Shipments of supplies overseas can be expected to increase demand here, and when demand goes up, so do prices.

Many government economists feel that the world aid program and the domestic price situation are closely united. They say the American consumer is going to pay for European aid through higher prices for almost everything he buys.

MANPOWER SHORTAGE?—Although United States employment already is at the peak level of around 60 million jobs, federal officials are talking about a further climb and the possibility of a manpower talking next year.

The key to the situation is the Marshall Plan. At the present time an estimated five million United States workers are engaged in the direct production of goods for export. But if the country embarks on a broad-scale aid program, such as envisioned by Secretary of State George C. Marshall, federal employment experts believe many more workers will be needed to turn out the materials to be sent abroad.

There will be a slump in employment in export production should the Marshall Plan be dropped and exports take a nose dive next year. Exports fell off slightly in June and July but not seriously enough to affect employment.

BACK IN NOVEMBER—The prediction on Capitol Hill is that Congress will return to Washington in November to tackle stop-gap aid to Europe. Some prognosticators say the date will be Nov. 3 or 10. It is anticipated that key committees will be called back several weeks before the session opens to pave the way for the enactment of emergency legislation.

Senator Ralph E. Flanders (R), Vermont, has suggested that to prevent time being wasted, the president hold conferences with the committees and outline the emergency problems he wants action on once the session opens.

The committees which will probably be called back are those on foreign affairs in the House and Senate. By conferring with the administration and holding early hearings, they could have the necessary legislation ready for action when the session gets going.

The appropriations committees of both Houses would not act until after Congress had authorized new funds, but they could hold their hearings simultaneously with those of the foreign affairs committee in the interest of time. Such action is rare, however.

Should Congress be called back, technically it will mean only a resumption of the session just ended, and not a special session. Congress did not adjourn in July, but merely recessed until Jan. 2. The second regular session is scheduled to open Jan. 6.

In View Of The News

By J. C. Ostreicher, INS Foreign Director

A master plan of future European economy which might reward the harried continent with an eventual prosperity beyond its wildest dreams was in the hands of the United States for deliberation and approval today.

Drafted in Paris by 16 nations acting upon the proposals of Secretary of State Marshall, the program is an expensive one.

It calls for the expenditure by the United States and other Western Hemisphere countries of close to twenty billions of dollars in cold, hard cash. But in reciprocity and appreciation, the European nations themselves are pledged to do everything they can to help themselves.

And, perhaps even more important, they promise to cooperate among one another, a development which in itself could create historic precedents on a continent which for centuries has been divided hopelessly by customs barriers, tariffs, language differences and ancient rivalries.

On the face of it, the 16-nation plan envisages a momentum to hard work and production that conceivably could make all Europe a far happier place than it ever has been.

It does not provide for the recreation of a jewel-bedecked Venice, for example, or for the reconstruction of Warsaw at the expense of any other city.

No One Nation Advantage

It does not give any one nation an opportunity, by the grace of American largesse, to impose its economic or political strength upon any less-favored country.

It demonstrates, on the contrary, an apparent desire by all countries to share fairly in the world's riches once the devastation of war has been repaired. The 16 nations who rallied with new hope to Marshall's proposal admit quite frankly that without tremendous American assistance, this recovery is impossible.

Informed circles considered the plan especially significant for the fact that it overlooks nothing.

Too Much Asked of U. S.

Critics will say that too much is being asked of the United States. But observers do not skip the angle that it embraces all human needs from the humblest factor of good bread for the table to electrical development that implies the acme of luxury.

And the countries appealing at Marshall's suggestion promise that once the momentum has been supplied, they will produce in steel and oil, in shipbuilding, roadbuilding and development of the internal waterways so vital to Europe's commerce, far more than they produced before in all their long histories.

These promises were not lightly made. The future of mankind may depend upon their ability to fulfill them.

Health Talks

By DR. W. A. WOMER

City Health Superintendent

YELLS AND WHOOPS

We like to hear the youngsters yell and whoop and holler at their play.

We figure that they are healthy and having a good time. There is one kind of a whoop which is not so good.

Whooping cough is a nuisance and often serious. It is a serious disease and causes a lot of trouble.

It is probably a good idea to ask the doctor about protecting the baby against whooping cough.

It is usually more serious in young babies than in older children. It is no good at any age.

Fine Teeth Show in a Wilson's Grin

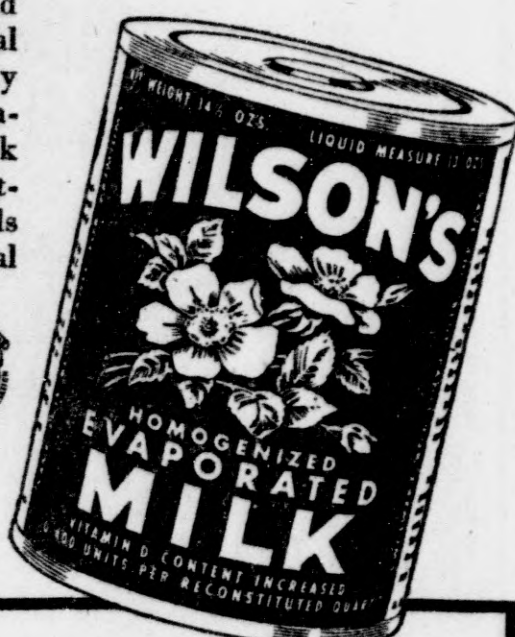

WILSON'S MILK HAS EXTRA VITAMIN D!

★ Vitamin D is that important "sunshine vitamin" which helps build fine, healthy teeth and bones. And Wilson's Milk has 400 extra USP units of this essential vitamin.

So ask your doctor for a Wilson's Milk formula—and see that your baby gets all the important natural food elements of milk, plus this extra Vitamin D. Wilson's is homogenized, too—easy for infant digestion.

Many doctors recommend Wilson's by name as an ideal baby food—its top quality and low cost make it a favorite. And Wilson's Milk carries the seal of acceptance of the Council on Foods of The American Medical Association.

Ask your grocer for this safe, pure baby milk—in the can with the blue and white label.

Write For a Copy of the WILSON'S MILK BABY BOOK

Wilson's has published a helpful baby book—"Your First Year with Baby." For your free copy, write The Wilson Milk Company, P. O. Box 895, Indianapolis 6, Indiana. Ask also, for your free copy of Wilson's new Premium Catalog and Recipe Book.

WAMPUM

W. S. C. S. Study Group of the Methodist church will meet Thursday night 7:30 p. m., with Mrs. W. S. Kirschler.

College Town Rotarians Hear Sergt. Blythe

State Police Representative Gives
Safety Talk; Other News
Of New Wilmington

(Special To The News)

NEW WILMINGTON, Sept. 24.—Sgt. Blythe of Troop D. of the Pennsylvania State Police with headquarters at Butler, urged members of the Rotary club to be as courteous to fellow motorists as they are to friends when they meet them on the street when he addressed club members Monday evening.

Sgt. Blythe stated that 36,000 persons were killed on the highways last year and that everyone has a personal responsibility in trying to reduce this terrible.

Roy Burnside was in charge of the program.

PLAN CHRISTMAS PARTY

Kiwanis club accepted an invitation extended by the Rotary club to hold a joint Christmas party, at their business session Monday evening at the Methodist church. Art Minter was named chairman of a committee to confer with the Rotarians.

A movie and slides showing the ravages of cancer were shown by a representative of the American Cancer Society.

HEADS A.A.U.W.

Miss Alice K. Schuster of the Westminster College faculty, has been elected president of the local chapter of the American Association of University Women.

Other new officers are: Mrs. J. W. Crighton, vice president; Miss Arlene Fisher, secretary; and Miss Betty Yahn, treasurer.

The new officers will meet soon to make plans for the fall and winter program.

NEW COMMANDER

Walter Whitman was inducted as commander of the local post of the American Legion at the monthly meeting held Monday night at the fire house.

Plans were discussed for the organization of a firing squad. The local post has been notified that its members will be expected to participate in burial services for district servicemen when their bodies arrive here from foreign fields.

Stassen Points Out First Objective Of United Nations

CLEVELAND, Sept. 24.—(INS)—Harold E. Stassen, avowed presidential candidate, asserted Tuesday that "the first objective of the United Nations is to prevent war between the United States and Russia."

Stassen, former governor of Minnesota, in an address to members of the American Bar association, declared:

"The United Nations should be recognized at this stage as an organization that cannot maintain peace by military force, but can only bring to bear moral force."

"The veto in the Security Council is a handicap to the development of the United Nations."

But it, of course, is not correct that this is the only problem or the real problem or that the solution is simple."

Predicts Robot Plane Flights Will Be Common

BRIZE NORTON AIRPORT, England, Sept. 24.—(INS)—Col. J. M. Gillespie, who commanded the first robot plane to span the Atlantic, predicted today that "in another year's time such flights will be commonplace."

The 52-year-old Texan said that he and others of the 14 men aboard during the epic 2,400-mile "push button" flight to Brize Norton airport were "completely satisfied" with the operation.

Gillespie said the electronic equipment aboard the plane—"The Robert E. Lee"—"functioned perfectly."

Meanwhile, he and members of the plane's crew were kept busy showing official visitors through the craft which was the center of interest at the Royal Air Force maneuvers.

The colonel told newsmen of the flight which was completed 12 hours and five minutes after take-off from Stephenville, Newfoundland.

CHEWTON

BIRTHDAY HONORED

A group of friends and relatives gathered at the home of Mrs. Eliza Conner on Thursday evening in honor of her birthday anniversary. The evening was spent socially, and at a later hour a delicious lunch was served by Mrs. M. L. Ferguson and Mrs. A. A. Ferguson. Those enjoying the evening were Mrs. Lydia Galbreath of Wampum, P. J. Tilla and Miss Ada Tilla of Wayne township, Mr. and Mrs. M. L. Ferguson and son Gordon of Princeton, Mr. and Mrs. Elmer Badger and family. The honored guest received a number of lovely gifts.

CHEWTON NOTES

Mrs. Lawrence Wilson of Clinton was a caller in Chewton on Friday evening.

Miss Carol Jean Allen spent the weekend with her grandparents, Mr. and Mrs. Frank Allen of Wampum.

Mr. and Mrs. Glenn Hennon and daughter, Glenda, visited with Mr. and Mrs. Paul Hennon and family of Emon Valley on Friday afternoon.

Mrs. M. L. Ferguson of Princeton spent Saturday at the home of her grandmother, Mrs. Eliza Conner.

Miss Ada Tilla motored to Unity, Pa., on Sunday where she visited with her aunt, Mrs. Clara Vance, who has been confined to her home by illness.

Mrs. Lydia Galbreath of Wampum spent Thursday with Mrs. Eliza Conner and Mrs. Elmer Badger and family.

CLASS NO. 7 MEETS

Class No. 7 of the Chewton Christian Sunday school held their regular monthly business meeting at the home of Miss Betty Stanford on Friday evening, with six members and their teacher, Miss Ada Tilla present. A special guest, Miss June Stanford, also enjoyed the meeting. A business meeting was held and plans were made for the fall meetings. Later in the evening, a wiener roast was enjoyed by the group.

Names Assistant Army Secretary

WASHINGTON, Sept. 24.—(INS)—President Truman on Tuesday named Gordon Gray, Winston-Salem, N. C., publisher and lawyer, to be an assistant secretary of the Army.

Gray, who has practiced law in both New York and Winston-Salem, is owner of the Winston-Salem Journal and Twin Cities Sentinel. Gray replaces Howard C. Peterson who recently resigned. Peterson was in charge of foreign military government, occupation problems, and other overseas Army affairs.

The Army said Gray's principal duties will be to handle relations between the Army and other government departments.

Gray, who is serving his third term as a North Carolina senator, rose from private to captain during the war. He served in the European theater.

The Chameleon, a sub-lizard, turns green when excited, frightened, angered, asleep or dead; brown in response to low temperatures, hunger or strong sunlight.

Can't Sit! PIN-WORMS CAUSE FIDGETING AND THAT AWFUL ITCH

One of the warning signs of Pin-Worms is a nagging rectal itch which often causes fidgeting and broken sleep, and may lead to even more serious distress.

It is no longer necessary to put up with the trouble caused by Pin-Worms, because science has at last found a way to lick these stubborn pests easily and safely.

Get JAYNE'S P.W. at the first sign of Pin-Worms. P.W. is a medically sound treatment based on an officially recognized drug element which has proved very effective in dealing with this icky infection. The small P.W. tablets act in a special way to destroy Pin-Worms. P.W. means Pin-Worm relief!

NEWLYWEDS ON TRIP TO NATIONAL CAPITAL

Mr. and Mrs. Sam Calmano are on a wedding trip to Washington, D. C., following their wedding in St. Vitus church September 18. The bride is the former Miss Rita Bambina Zambelli, daughter of Mr. and Mrs. Tony Zambelli, of 510 East Division street with whom the newlyweds will take up residence on their return.

Rev. Nicholas DeMita officiated at the 9 a. m. ceremony. For her wedding, the bride wore a gown of ivory slipper satin with a long train. Her long veil fell from a lace and seed pearl crown and she carried a shower bouquet of white roses centered with an orchid. Her only jewelry was a gold cross set with diamonds, gift of the groom.

Attending the bride were Miss Theresa Gensanti, maid of honor, who wore a gown of powder blue taffeta, bridesmaids, the Misses Anita Angelucci, Mary Calmano, and Jean Tomello, groomed in rose taffeta, and as junior bridesmaid her niece, Miss Lucille Tomello, whose gown was of pink satin. Both the maid of honor and the bridesmaids wore small hats to match their gowns and carried arm bouquets of roses.

Louis Zambelli served his brother as best man and ushers were Joseph Bertucci, Ralph Litrenta, and Andy Blaise.

Following the ceremony a wedding breakfast was served on the lawn at the home of the bride's parents and later in the day a dinner for 150 in the dining room of the New Penn Hotel was followed by a reception in the King Humbert hall. Mr. Calmano, formerly a resident of the Youngstown road, is employed at the Shenango Pottery.

40TH ANNIVERSARY DINNER TENDERED

In observance of the fortieth wedding anniversary of Mr. and Mrs. Axel Engstrom, of the Pulaski road, a party of 22 relatives and close friends were entertained at a lawn dinner by their two daughters, Mrs. J. V. Rabberman and Mrs. H. C. Reynolds, at the latter's home on the Pulaski road on September 21. Dinner was served at 1 o'clock and an informal social time ensued during the afternoon.

Pandora Club Postponed
Pandora club will meet next October 7 in the club rooms with Mrs. Floyd Champ as hostess for a meeting postponed from Tuesday evening.

Quick Relief from Pile Irritation

Forty years ago a Buffalo drug-gist created an ointment for relief from the itching and smarting of Piles. It brought such quick cooling, soothing, astringent relief that its fame spread throughout the country, and made Peterson's Ointment a favorite in thousands of homes. Ask your druggist for a 35c box of Peterson's Ointment today, or 60c tube with applicator. Money back if you are not delighted with relief.

JOHANSON-POWELL BIBLE CLASS MEETS

Members of the Johanson-Powell Bible class of the Alliances Gospel Tabernacle, 210 Pearson street, met Tuesday evening, at the home of the teacher, Joseph Jenkins, R.D. 5, for the regular monthly business meeting.

In charge of the business was James Taylor president of the group. Action was taken on the class pledge toward the work of foreign missions, with \$150 being pledged to that work. Plans were laid for a Christmas social period with the wives of the members to be guests.

Refreshments were served by the hostess, Mrs. J. E. Jenkins, aided by Miss Josephine Jenkins and Miss Jean Arnold.

On October 21, the class will meet at the home of Mr. and Mrs. James Taylor, English avenue.

FRIENDLY COUPLES CLASS WIENER ROAST

Friendly Couples class of the Central Presbyterian church gathered for its monthly meeting in the form of a wiener roast at an inn on the Wilmington road Tuesday evening with close to 50 members present.

Starting at 8 o'clock, the group enjoyed a wiener roast with Mr. and Mrs. Oliver Kerr, Mr. and Mrs. Thomas Spier, and Mr. and Mrs. Frank Kelso as the committee in charge.

Plans were made for a tenth anniversary dinner on Tuesday, October 28, the place to be announced. Named as the committee on arrangements were Mrs. Ronald Mielke, Mrs. George Hudson, Mrs. John Robinson, Mrs. William Westlake, and Mrs. Howard Kelso with Ronald Mielke, Mrs. Ed Whit, and Mrs. Kenneth Kauffman to be in charge of entertainment.

It was decided to have a Halloween party also next month and Mrs. Clyde Davidson, Mrs. Paul Shaw, and Mrs. William Stoner were named as the committee for this social meeting.

STUDENT TEA FOR INCOMING NURSES

On Monday afternoon the new class of 22 student nurses enrolled Monday in the Jameson Hospital School of Nursing was entertained at a lovely tea in the nurses home on Wilmington avenue given by Mrs. Jane M. Geiger, the new director of nurses at Jameson hospital. Upper class student nurses were also guests and during the afternoon music and singing were enjoyed by the group.

Red and yellow dahlias formed the centerpiece on the tea table at which Miss Josephine Shupitnik and Mrs. Laura Kummer poured.

Nellie Constance Class

Members of the Nellie Constance Bible class met on Tuesday evening, in the home of Mrs. Helen Kauffman, of Highland Heights, for the regular meeting. The service opened with a period of devotion in charge of the president, Mrs. Kenneth Lutz, with roll call being answered with Scripture verses. During the meeting, the president read a letter from Rev. and Mrs. Enos Hess, missionaries to Belgian Congo, Africa. Following business, the hostess, aided by Mrs. Kenneth Lutz and Mrs. Louis Bogle served refreshments.

The next meeting will be on October 21, at the home of Mrs. Cora McClintock, R. D. 1.

Szuba-Owoc Engagement

Announcement is made of the engagement of Miss Helen Szuba, daughter of Mr. and Mrs. John Szuba, of 907 North Liberty street, and Raymond J. Owoc, son of Mr. and Mrs. A. J. Owoc, of 22 West Long avenue.

No date has been set for the wedding.

Auxiliary To Meet

Ladies' Auxiliary members of Ne-shamock Post No. 314 V.F.W., will meet this evening, at 8 o'clock, in the Post room. Preceding the meeting a tureen dinner will be served at 6:30 o'clock, followed by a short program.

Butler Girls To Meet

Butler Girls will meet Friday afternoon in the home of Mrs. Roy Ringer, 623 South Roy street.

ST. JOHN'S GROUP NAMES DELEGATES

Women's Missionary society of St. John's Lutheran church met Tuesday evening at the home of Miss Mary Riffer, Park avenue. Devotions were in charge of Mrs. Harry Delin, using as her topic "The Living Word, The Bible".

The president, Miss Stella Diefenderfer, was in charge of business, at which time the following delegates and alternates were appointed to the fall rally of the Women's Missionary societies of the West Conference of the Pittsburgh Synod which will convene at St. John's Lutheran church, East Liverpool, O. Delegates named were Mrs. Harry Delin, Mrs. W. W. Emery and Mrs. Lee Lutz, executive secretary of the conference. Alternates were Mrs. Alice Claple and Miss Stella Diefenderfer.

The meeting closed with a social period with refreshments served by the hostess and her aides.

Most Americans live in cities and one-third of them live in 199 cities of more than 50,000 population.

PERSONAL MENTION

Mr. and Mrs. Alfred Richards and son, Robert, of New Wilmington road, departed for a two weeks vacation in Canada.

Mrs. V. W. Aubel and daughter, Mrs. James Welch of Rochester, N. Y., called on friends in New Castle, Tuesday, following their attendance of the funeral of Miss Madge Burke of Youngstown.

Mrs. Grace Gilmore, of Independence, Kan., accompanied by her daughter and son-in-law, Mr. and Mrs. Robert Evans, of Camp Campbell, Ky., is visiting her sisters, Mrs. John Warnock, and Miss Bird Sherard, of Milton street.

L. Wallace Byers has returned to the University of Illinois following a few days spent at his home on the Pulaski road. He was enroute to school from the Phi Lambda Upsilon Convention at West Point and the National A. C. S. meeting at New York City.

Parent-Teachers

Hickory Township Parent-Teachers Association will meet on Thursday evening at 8 o'clock in the East Brook high school for a tea and reception for the teachers of the school.

A program of musical selections will be presented during the evening.

First Consistory Party Of Season Set For Saturday

Members And Families Will Be Entertained At Family Party In The Cathedral

Arrangements for the first family night party of the Valley of New Castle Consistory have been completed, Commander in Chief, Ill. Welly O. Rugh announced today. This will take place on Saturday evening in The Cathedral.

The entertainment committee has secured a program of outstanding merit for the occasion, and a packed house is expected. The doors will open at 6:30 o'clock, and preceding the formal program, starting at 8:15 o'clock, there will be motion picture shorts and music.

Dancing will follow the program in the auditorium, starting at 9:30 o'clock.

The doors will be tied, Commander in Chief Rugh states, and only members and their families residing in their own home will be admitted.

Route 18 Road Work Progresses Rapidly

Weather Conditions To Determine Opening Of New Three And Four Lane Road

Officials of the New Castle Dunleavy company, who hold the contract for the rebuilding of Route 18 in the Neshannock and Wilmington townships into a three and four-lane highway, announced today that no definite date can be set for the opening of the new road to the general public.

Good progress has been made on the pouring of the concrete which is about 60 per cent poured. Three and four lanes of the road have been poured from Walmo to the point where the road is being relocated for one mile at the former curve adjacent to the New Castle Country club.

At present the concrete machine is working toward the city on the northern end of the project, with one lane already poured up to the point where the road takes its new course. All grading work has been completed on the mile stretch of the relocated road with concrete to be poured at that point very shortly.

Opening of the new project hinges entirely on weather conditions. If good construction weather continues, the road should open to the public before real bad weather sets in. In the meantime, traffic normally carried over the road is still being detoured via the Highland Heights road north to New Wilmington.

Resident's Father Dies In Warren, O.

Elisha David Porter, aged 61 years, of 193 Homewood avenue, Warren, O., died Tuesday morning at his home, following a lengthy illness. He was the father of Delbert H. Porter, this city.

Due to his illness Mr. Porter was forced to sever his employment with the Western and Southern Life Insurance company, last October, with whom he had been associated for the past 27 years.

Mr. Porter was born January 21, 1886, in Ritchie county, West Va., son of Elias and Hester Porter. He was preceded in death by his first wife, Lillian Dale Porter, who died in 1939, and to whom he had been married for 34 years.

In addition to his present wife, Mrs. Katherine Robinson, whom he married later, and her daughter, Corrine; he leaves a son, Delbert H. Porter, and daughter, Mrs. Evelyn Maxine Overturn, of Marienville, Pa., and three grandchildren.

Friends will be received at the White funeral home, 717 North Park avenue, Warren, O., this evening from 7 to 9 o'clock.

Funeral services will be conducted by Rev. Chaffie of the Todd Avenue Methodist church, at 9 o'clock on Thursday morning.

Burial will take place in the Union cemetery, Columbus, O., Thursday at 3 p. m.

See Cold Wave Damaging Corn

HARRISBURG, Sept. 24.—(INS)—Pennsylvania's corn crop today was believed endangered by the sudden cold wave that swept the state. A short crop would affect winter meat prices.

The agriculture department said it would take several days to determine whether sub-freezing temperatures had damaged crops.

Areas which experienced freezing weather, the department said, were Mercer, Wellsboro, Mariensburg, Philipsburg, Brookville, Blairsville and Montrose.

Southern Pennsylvania farmlands, where harvesting was underway, reportedly escaped the frosty weather.

Admiral King Now In Hospital

PHILADELPHIA, Sept. 24.—(INS)—The Philadelphia naval hospital had another patient today in Fleet Admiral Ernest J. King, wartime chief of naval operations, who was admitted to complete his convalescence from a prolonged illness.

The admiral, who suffered a slight stroke on Aug. 18, drove to Philadelphia with his aide from the naval hospital at Bethesda, Md., where he had been under treatment.

MYSTERY AT ZOO

PHILADELPHIA, Sept. 24.—(INS)—A baffling whodunnit puzzled Philadelphia zoo officials today in the case of the abducted chinchilla. Curator Roger Conant said the victim, a mountain chinchilla, was abducted from its cage by "some one familiar with the layout of the zoo." He said the thief got into the building apparently by forcing open a window.

LOOKING AT LIFE

(Continued from Page Four)

demands genuine sincerity in whatever we do.

"I suggest that all of us take an honest personal inventory today. Let us reorder things of which we are running short but which are needed to carry on our business successfully."

Here is an editorial that should be hung in every office, in every shop—yes, and in every home!

Wherever you go nowadays you see evidence that not only merchandise is sadly in need of replacement but that all the qualities of which Mr. Ready speaks have run dangerously low.

Courtesy, consideration, friendliness, dignity.

Where are they today in hotels, in stores, in offices, and in the home?

Jobs are still hard to fill, so employees think they are indispensable and act accordingly.

Hotels are still full, so it is the guests who have to bow and scrape, while clerks and bellboys are condescending and impolite.

Servants in the home must be handled with kid gloves and even the members of the family, irritated perhaps by world conditions, are badly lacking in the elemental rules of domestic etiquette.

I think it is high time for all of us to take a personal inventory and to replace those characteristics that are part and parcel of civilization and that have become shoddy with fear and with the strain of the war.

And, to quote Mr. Ready once more, let us remember that "we are never charged a cent by anybody for any part of that order."

(Copyright, 1947, King Features Syndicate, Inc.)

WASHINGTON CALLING

(Continued from Page Four)

At 86 Sophoulis is both symbol and hero. Repeatedly through the upheavals of the past 40 years he has maintained his integrity.

Living simply in a modest villa in a near-by suburb, Sophoulis has never enriched himself as some Greek politicians have. He has a ready sense of humor and a twinkle in his eye. A crowded press conference that brings many questions from reporters of various nationalities does not ruffle him. He is a Republican but in no sense a Socialist.

If he can make the mass of the people believe in his good intentions and end the civil strife, then he will have made himself one of the greatest figures in modern Greek history and all the western world will be in his debt. It is a heavy responsibility to put on a man of such advanced years.

Grim Object Lesson
The pathology of Greek politics is a grim object lesson. It is not a matter merely of corruption, Greece is not unique in having had corrupt politicians. The pathology is that of individualism run wild so that wherever more than two Greeks are gathered, there you have a political party.

It was the fractionalizing and the splitting off of that in the years of the twenties made Greek political life a shambles. Most serious of all, this splitting off was a perfect opening for the Communists. With a dozen seats in the parliament, they often held the balance of power and they exploited their advantage to the utmost.

With leaders trained in Moscow, such as the brilliant and ruthless Nicholas Zachariades believed now to be in Yugoslavia or Albania ready to head a "free government" of Greece, they made a mockery of parliamentary procedure. It was the perfect opportunity so long as orders from Moscow held the party to the use of peaceful rather than revolutionary means to gain power.

Splitting Occurs
In the trade unions the same kind of splitting off occurred. It went so far it became a cancerous growth protected by a mistaken law granting a trade-union charter to any seven members of any union.

Before the Metaxas dictatorship there were 600 unions. In 1940 the number was 1,400. Today it is 2,200. At one time 15 separate federations of unions existed. A union of orphans and a union of retired dancing instructors are among the more ludicrous outgrowths.

Under the law any individual can get the state to intervene in a trade-union dispute. Here, too, was an opening ready-made for the Communists and they were not slow in exploiting it. It will take years to get Greek unions back on a sound foundation. Fortunately, the international labor office is shortly sending a mission to Greece to help straighten out the tangle of laws that seem to have done more harm than good.

No people could possibly afford the luxury of the kind of politics Greece has had in recent years. It was individualism run riot and the result may still be collective disaster.

(Copyright, 1947, by United Feature Syndicate, Inc.)

THE PARENT PROBLEM

(Continued from Page Four)

plain this procedure in my bulletins, "Teaching Child Care of Property" and "How to Teach Tot Meaning of No," each to be had in a stamped envelope by writing me at 235 East 45th street, New York, N. Y.

If the tot repeats the forbidden act more than four or five times in a row, the parent in each instance, put him back in the play pen to await another brief training period on the same or following day. He may grow too wrought up to profit from the training. Here it is obvious that the play pen can be a boon to the mother and little child in this very trying period.

In the folklore of Denmark, the Elder-Mother was sort of hamadryad or spirit who resided in the elder tree and had the power of reviving old memories in man.

Registration For Ex-G.I.'s Will Be Extended For Week

In order that a greater number of war veterans and former servicemen may avail themselves of taking up high school studies, the registration period has been extended over until next week. It is announced by the office of the superintendent of schools, Frank L. Burton.

A number of the men were present on Tuesday evening, to sign up for the courses which will enable them to complete their high school work. The next and final registration date for former servicemen has been announced for Tuesday evening, September 30 at 7:30 o'clock, at the New Castle senior high school building, where the courses will be offered.

Registration dates for other classes to be organized at the school will be announced at a later date.

EVENING TILL 9 P. M.

RETURNS TO W. & J. AS SOPHOMORE

A. Pearson Furst, Jr., of Summer avenue, has returned to Washington & Jefferson College, Washington, Pa., where he has enrolled for the sophomore year of study. He plans to major in business administration. He is a member of Phi Gamma Delta fraternity.

During the past summer he trained with the platoon leaders class of the U. S. Marine Corps at Quantico, Va.

He is a son of Mr. and Mrs. A. P. Furst, of 604 Summer avenue.

Says Mrs. Roosevelt Urged Admission Of Hanns Eisler

By RAYMOND WILCOVE
(U. S. S. Special Correspondent)

WASHINGTON, Sept. 24.—(INS)—Rep. Thomas (R) N. J., today named Mrs. Eleanor Roosevelt as one of the "prominent" people who urged the admission to the United States of Hanns Eisler, Hollywood songwriter, brother of Gerhardt Eisler, alleged Communist leader.

Hanns Eisler was called as the first witness at today's opening of public hearings before the house unamerican activities committee at which an attempt will be made to prove that the Austrian owed his admission to this country to "high personages" in the government.

Thomas, committee chairman, charged that "prominent people cleared the way for his entry" from Mexico after, he said, the state department had refused Eisler's admission.

The congressman declared that "some of the letters to high personages urging his admission came from Mrs. Roosevelt."

Thomas declined to reveal in advance of the hearings to whom the wife of the late president wrote. However, he disclosed that Sumner Welles, then undersecretary of state, was the recipient of letters on Eisler's behalf. Welles was slated to testify after Eisler, to be followed by George S. Messersmith, former ambassador to Argentina. Thomas said Mrs. Roosevelt will not be a witness.

Grant Permits For Street Excavations

New Castle Water Company has received permission from the municipal department of engineers to excavate in streets as follows:

Mahoning avenue at Liberty street; Cherry at Cedar street; 310 North Mercer street, 219 North Crawford avenue, 408 Hillcrest avenue, 117 East Grant street, 725 County Line street, 1206 Pollock avenue, 508 East Long avenue, 322 Boyles avenue, 133 North Beaver street, 616 North Cedar street, 312 North Cascade street, 211 East Moody avenue, 1507-11 Hamilton street, 326 Elizabeth street and 109 Glenmore boulevard.

Williams Resumes Duty Next Week

Neal Williams registry clerk, in the office of the city engineering department, paid city hall a visit today, and announced he would resume his duties next week. Mr. Williams recently had his left leg amputated, but has been getting along fine.

Making Progress On Sanitary Sewer

Continental Construction company, which has the contract to lay the Seventh ward relief sanitary sewer between a point near Cherry street and a point 100 feet north of Mahoning avenue, viaduct, have laid approximately 1,600 feet according to City Engineer John Z. Street.

"The boss likes to prove that All-American football experience helps in business."

M. C. Grossman At Wisconsin For Research Work

Morton C. Grossman, son of Mr. and Mrs. J. C. Grossman, 418 Bartman avenue, has begun research and doctoral study as a Graduate Fellow of the University of Wisconsin. He was appointed to the fellowship, one of the two offered nationally by the University, early this summer. It is the highest honor offered by the school, permitting the appointee to a year's research and study without any other duties.

For the past year, Mr. Grossman taught and studied at Ohio University receiving his master's degree in economics with honors. Mr. Grossman, his wife, and son have arrived at the University after a three week stay with their parents here. They will now reside at Badger Village, Badger, Wisconsin, a veteran's village for students.

Visiting with them was Mrs. Esther Delitz of Philadelphia, mother of Mrs. Morton C. Grossman.

Traffic Watchman At St. Joseph's School

Mayor John F. Haven today instructed that a school watchman be placed on duty at Lawrence and South Jefferson street to protect children attending St. Joseph's school. There is heavy motor vehicle traffic at this point.

Pursuant to the order, Chief of Police Robert D. Hanna assigned Albert L. Haid to that point. William Haycock was placed on duty at Laurel avenue and Wilmington avenue.

Board Of Review Held For Scouts

Boy Scouts of the county appeared before a board of review Tuesday night in the senior high school, with seven boys receiving awards and promotions.

Second-class promotions went to Donald Audia and Robert Fox of Troop 44; first-class to Jack Hanna, Troop 44 and Zane Leeper, Troop 29; merit badges went to Thomas Spence of Troop 3 and Merle Allegro, Troop 51. Reviewed for star Scout were James and William Peacock, Troop 18 and Merle Allegro, Troop 51.

E. L. Gerlach sat as chairman of the board, assisted by H. E. Rodgers, P. D. Gibson, James A. Hewitt, and Dr. B. M. Rogers.

Resident's Sister Claimed By Death

Word has been received here by Mrs. James W. Hamilton, of the death of her sister, Mrs. Nellie Cunningham Richards, aged 61 years, of Rochester, Pa.

Mrs. Richards died at her home Tuesday evening, at 9:30 o'clock, following a sudden heart attack. She was preceded in death by her husband Evan Richards, five years ago. Surviving are two sons, Howard and Ralph; three grandchildren; a brother Harry, this city; and sister, Mrs. James W. Hamilton this city. Funeral services will be conducted Friday, in Rochester, Pa., the time to be announced.

PHILLIPS TO BE GIVEN HEARING

Anthony Phillips, colored, of Youngstown, arrested here recently, and charged with six local burglaries will receive a hearing before Alderman C. L. Mantz, this afternoon, according to Police Chief Robert D. Hanna.

WINDOWS BROKEN

Twelve windows were found broken at the Moody Paper Company Croton avenue, and four broken at Hunter's Laundry, according to reports at police headquarters.

PERMIT FOR GARAGE

City bureau of building today granted a permit to John A. McCarthy to build a frame garage at 102 West Wallace avenue.

Westminster Has 1239 Enrolled For First Semester

Enrollment For Session Was Limited
To Approximately 1200
Months Ago

NEW WILMINGTON, Sept. 24.—A total of 1239 students is enrolled at Westminster college for the first semester, according to Miss Isabel Ramsey, recorder. Of this number 796 are men and 443 are women. The total is approximately 100 less than last year and is in accordance with college plans to limit enrollment to near the 1200 mark. Enrollment for the year was officially closed last February and it was necessary to refuse entrance to hundreds because of crowded conditions. Enrollment by classes is: Seniors, 133; juniors, 238; sophomores, 474; freshmen, 346. There are 14 special students and 24 enrolled for graduate work. Of the total enrollment, 307 are new students.

Amnesia Victim's Sentence Annulled

ROME, Sept. 24.—(INS)—Pvt. Michael A. DeBartolo, American soldier who claimed his two years' absence from his unit during the Italian campaign was due to amnesia, was freed today by U. S. military authorities in Italy. Originally sentenced to life imprisonment for wartime desertion, the 23-year-old private from Dorchester, Mass., later had his sentence reduced to 10 years. An official announcement in Rome was annulled upon review of his case by military authorities.

YOUNG PROGRESSIVES PLANNING FOR DANCE

Young Progressives club will meet in the Sons of Italy club rooms, South Mill street, this evening at 8 o'clock. Plans will be discussed for the fall formal, scheduled for November 15, at the New Castle Country club. Miss Edith Chipraro is the chair-lady for the event. Most textbook publishers have outside firms to do their printing for them.

Construction Of Highways Must Be Increased

Year's Registration Of Motor Vehicles Sets New Record Of 37,164,405

WASHINGTON, D. C., Sept. 24.—With this year's registered motor vehicles setting a new record of 37,164,405—approximately 8 per cent more than our pre-war high of 1941—“increasing demands upon our inadequate highway system can only be met by a continuous program of highway construction and modernization throughout the nation,” J. T. Callaway, president of the American Road Builders' Association, pointed out here today.

“This steadily increasing number of motor vehicle registrations bears out the long predicted postwar rise in automotive transportation,” President Callaway said.

Registrations in 1947 were 34,472,145, according to the Public Roads Administration. Since 1941, the number of passenger car registrations has increased 3.5 per cent. The largest increase—43.5 per cent—is in buses. Buses will total 127,405 this year compared with 88,800 registered in 1941. Truck registrations will reach 6,492,000, an increase of 33.6 per cent over the 1941 total of 4,859,244; the PRA report shows. Truck registrations reached 5,725,692 in 1946.

“Eighty per cent of the world's passenger cars and 57 per cent of its trucks are found on American highways,” Mr. Callaway added.

“The upward trend in travel per vehicle, temporarily halted by the war, is being resumed. Highway travel, which has reached astronomical proportions, continues upward.

“Depreciation of our roads is a serious economic factor,” he said. “Our traffic demands have reached far beyond our facilities, and they will continue to increase for years to come. The availability of good roads and streets is of vital importance in our economic activity. War-time arrears must be made up.

“Growing traffic demands can be met only by an expanding program of highway construction and improvement, a program paced to growing highway use,” Mr. Callaway said.

“Traffic congestion must be relieved, for it is costing the nation tremendous sums.”

Woman Teacher Of Jap Prince Returns Home

PHILADELPHIA, Sept. 24.—(INS)—Mrs. Elizabeth Gray Vining was back home in Philadelphia today after a year's stay in Japan where she had been engaged as private tutor of Crown Prince Akihito.

Mrs. Vining, who also gave English lessons to the empress during her stay, termed the Japanese “eager, friendly and intelligent.”

She said the Japanese children are looking forward to a “more liberal and democratic education than their nation has ever known.”

“Equal opportunities are being provided for boys and girls,” she explained. “For the first time there will be four years of college for the women of Japan.”

She described the heir to the throne as a “very promising boy, intelligent, responsible, friendly and honest.”

“BIRDS VS. INSECTS”

Swallows have about five square feet of wingspread per pound of weight, while storks have only about 122 square inches. Insects have much larger wings in proportion to their body weight than birds.

“SEALED” MONKS

Numerous old Buddhist monks in Tibet have kept themselves sealed up in little huts since early youth. Only an opening for food is left and many of them have been enclosed for more than 40 years.

ANNOUNCE THREE NEW PENN STATE DEPARTMENT HEADS

STATE COLLEGE, Pa., Sept. 24.—Three departments at the Pennsylvania State College will be in new hands when the fall semester opens Monday.

Dr. Herbert R. Albrecht, formerly on the staff of Alabama Polytechnic Institute and Purdue University, heads the agronomy department.

Dr. Robert J. Clements, of Harvard University, has been named head of the romance language department and Dr. Brice Harris comes to Penn State from the University of Illinois to head the department of English literature.

Mormon Chorus To Sing Here Friday

The Church of Jesus Christ of Latter Day Saints (Mormon) will bring the “Utah Centennial Male Chorus” to New Castle Friday evening, at 8 o'clock.

The program will be presented in the First Christian church through the generosity of the church officials.

The talented group of singers is under the direction of Elder Chester W. Hill, of Salt Lake City, Utah. The members of the chorus are missionaries assigned to the Philadelphia area and have presented programs in that district. They are now touring the eastern states and will have brought their music to Erie and Sharon before they sing in this city. They will sing in Pittsburgh after they have sung here.

The program will consist of religious and sacred songs interspersed with instrumental selections. The group is brought to the city under the auspices of the locally assigned Mormon missionaries, Elders Eldon R. Cox and Wilford S. Stevenson, who reside at 225 Edgewood avenue.

Rubirosa said he plans to leave for Buenos Aires with his wife in a month.

He took the occasion to deny reported assertions by a Madrid jeweler that Rubirosa “misled” jewels which he was entrusted to take out of Spain in 1937 during the Spanish civil war.

Rubirosa said that an official asked him as a personal favor to take the jewels from Madrid and deliver them to another official in Paris. He said the jeweler gave him a packet which he delivered to the Paris official.

Rubirosa refused to say what countries the officials involved represented, but he specified they were not French.

INJURED BY FALL

Mrs. M. Laughlin, of 90 Trimble street, Pittsburgh, fell and bruised her knee in East Long avenue, Tuesday, according to a report made to police. According to reports, there was a hole in the sidewalk.

Charge Slander In U.S. Press Against Senora De Peron

NEW YORK, Sept. 24.—(INS)—The Argentine embassy today called on the American public to repudiate a campaign of slander in “some sectors” of the U. S. press against Senora Eva Duarte De Peron, wife of the Argentine president.

The embassy declared, in an advertisement in the New York Times signed by Martin Luis Drago, Argentine charge d'affaires, that the attacks were inspired by groups aiming to break up inter-American solidarity.

The statement asserted that Argentina demonstrated “its democratic spirit and its desire of collaboration and solidarity with all the American nations” at the Rio De Janeiro defense parley.

The advertisement, charging that certain elements of the press are actively engaged in a move to discredit the Argentine republic, continued:

“They have now launched a campaign of insults, vilification and slander against Mrs. Eva Duarte de Peron.”

In 1885 Manhattan began cable car operation by the Third Avenue corporation on Amsterdam avenue, and six years later cable operations were extended to all lines. Small boys raised havoc with cable lines, however, by looping a rope around the cable, and catching free rides in their wagons.

Bevin Declares U. S. To Benefit From Europe Plan

Foreign Secretary Says Marshall Plan Will Help America As Well As Continent

By JOHN E. LEE
(U. S. Staff Correspondent)

PARIS, Sept. 24.—British Foreign Secretary Bevin declared Monday that United States help to Europe under the Marshall plan will aid America as much as the Continental Nations requesting assistance.

Bevin made his statement in the wake of the plenary session of 16 European Nations which dispatched a report to the U. S. State Department on their needs for economic rehabilitation in the coming four years.

A special messenger of Britain's king left Paris by air at 12:30 a. m. for Washington to deliver the formal report to Secretary of State Marshall.

The final report, which sets financial requirements at \$22,400,000,000, in effect calls for establishment of a "Little Marshall plan" to be sponsored by the other American nations outside the United States.

Washington is being asked for \$15,810,000,000 of the total. The European Nations themselves figure they can contribute \$660,000,000. The remaining \$5,970,000,000 they hope to get from contributions of Canada and the Latin American countries.

The possibility is cited in the report that an estimated \$3,110,000,000 needed for machinery might be financed by the International Bank for reconstruction and development.

Refusal Incredible

Bevin declared that it would be "incredible if the United States turned down the project which will aid her as much as western Europe."

He said further: "We cannot think in terms of national interest now. To aid a neighbor means to aid oneself in this shrunken world."

Bevin, harking back to his bombshell suggestion that the U. S. redistribute its Fort Knox, Ky., gold reserves, owned that he actually does not want Washington to redistribute the gold. But he did suggest that the U. S. "invest" a minute portion of its total gold supply in the project.

He said this would "yield her huge profits" if the U. S. made such an investment it would stabilize currencies and stabilize the world price level and result in a "tremendous" increase in American trade within a few years.

The foreign secretary said the U. S. now is in much the same position as Britain was after the Napoleonic wars. He asserted that Britain then did everything in its power to aid other countries of the world.

William Clayton, American under-secretary of state, for economic affairs, at whose suggestion the draft report on Europe's requirements was rewritten, left Paris meanwhile for London. He is en route back to the United States.

Continue Quiz Of Youth Held In Killing Girl

PHILADELPHIA, Sept. 24.—(INS)—Police continued to question baby-faced George A. Neill, 22, today in an effort to close several gaps in his confession of strangling his 11-year-old niece Isabelle Mallon, whose body was found on a vacant Philadelphia lot.

The blond, stocky youth, according to Assistant Police Superintendent George F. Richardson admitted the slaying during preliminary questioning in Philadelphia after he had been returned from Rockville, Md., where he was captured.

Richardson added however, that "we are not satisfied with his statements thus far. He has been evasive. He is not as frank as he should be. There are too many open spaces in his story."

Richardson said a medical report was expected today to determine whether the child had been, criminally assaulted. He said Neill refused to give any reason for his act, other than to say he "blackened out" when he put his hands around the child's throat.

Richardson quoted Neill as saying he left the girl in the empty lot and then went to her home where he announced he was going to hitch-hike out west. Instead he went to Rockville, Md., where he got a job on a dairy farm.

The girl's badly decomposed body was found last Saturday.

Mrs. Margaret Daunt and son, George, of Pittsburgh, are visiting Mrs. Daunt's brother, J. H. Armstrong and wife and sister, Mrs. Emma Lewis this week.

Mr. and Mrs. Gaylord Armstrong made a trip to Pittsburgh on Friday of last week. Mrs. Olive Kline returned with them and is visiting her sister, Mrs. Bougher.

Mr. and Mrs. J. B. Moore of New Castle spent two days last week with their daughter, Mrs. J. R. Patterson, and family. Mr. and Mrs. Walter Stoner of New Castle called in the Patterson home Sunday.

Mrs. Gertrude Flynn, Mrs. Marian Leyden and a friend of Pittsburgh spent a week end with Mrs. Emma Bougher and with her, motored to Willoughby, O., for a day. Mrs. Leyden spent several days with her sister-in-law.

The last afternoon meeting of the Ladies Friendship Club for this season was held at the grange hall with a good attendance. Lunch was served at tables decorated with fall flowers by the hostess committee with Mrs. Dorothy Stewart acting as chairman. Six birthdays were remembered. It was decided to ask the county home economics leader to meet with the club, the course to be taken to be left until later for decision. Guests were Mrs. Kline and baby, Mrs. Edward Robinson and baby, and Mrs. Alired Boyd.

State Allotted Fifty Millions For Two Projects

Bond Issue Gives Treasury Money For Mental Hospitals; Desilting Program

HARRISBURG, Sept. 24.—(INS)—Fifty million dollars today was poured into the state treasury to finance mental hospital construction and desilting the Schuylkill river.

The money was derived from a bond issue bought by a syndicate of more than a score of brokerage houses headed by Drexel and Co., of Philadelphia, and the First Boston Corp., of New York. Par was fixed at \$100.

The bonds first Commonwealth issue since 1934 when a similar sum was floated to pay a bonus to soldiers of World War I, will mature at the rate of \$2,000,000 a year between 1952 and 1976 according to the Governor's office.

The net interest rate which the Commonwealth must pay was pegged at 1.27 compared with three per cent and three and a half per cent in 1934. The successful bidders also allowed a flat premium of \$844,950 to the Commonwealth.

Forty-five million dollars will be used to finance half of the \$90,000,000 mental hospital construction program proposed by Gov. James H. Duff while the balance will underwrite the cost of desilting the Schuylkill above Norristown.

The governor's office said the First National Bank of Chicago pledged a premium of \$542,451 while the National City Bank of New York offered \$769,950.

"Cockaigne" is a name given to an imaginary land of good things—of idleness, luxury and perfect happiness. The word appears in a variety of spelling in English and French, and means "land of abundance."

Jordan almonds are largely produced in the province of Malaga, Spain. The name comes from the French word jardin (garden). The Jordan almonds are a choice variety.

American Planes Make Daily Check Of Russian Coast

NAGOYA, Japan, Sept. 24.—(INS)—Maj. Gen. Kenneth B. Wolfe disclosed Monday that American army airplanes daily survey the sea of Japan and the Yellow sea along the Russian coast line from a point far north of Vladivostok, Siberia, to a point off Dairen, Manchuria.

The fifth air force commanding general said in Nagoya that the daily surveillance flights by his air force, which has more than 700

planes, is a basic part of its mission to keep Gen. Douglas MacArthur informed about the area over which he is supreme commander.

Wolfe said it is also an important program which the fifth air force maintains the best combat efficiency in the American Air Corps.

The fifth's daily sealane surveys start 30 miles off Russia's Sakhalin islands and keep to a point 30 miles off the Asiatic coastline to the American zone in Korea. They completely cover the important 130-mile straits between Japan and Korea and then fly up into the Yellow sea off Dairen, Port Arthur and Shanghai.

Because they cannot sweat, hogs and steers eat less in hot weather, thereby cutting meat production.

Antidus, bishop of Jaen, was martyred by the Vandals in 411 A.D. One day Antidus detected the devil writing in his pocketbook an accusation against the Pope. He leaped on the fiend's back and forced him to carry him through the air to Rome, where he arrived all covered with Alpine snow. The hat is still shown at Rome in confirmation of this miracle.

Amazons is a Greek word meaning "breastless." In classic myth, Amazons were a warlike race of women who are said to have come from Asia Minor. They were governed by a queen. The female children had the right breast cut off so that they might use the bow with greater ease.

that no other undertaking in the world approaches atomic research in its possibilities for serving mankind. Research such as that now going on at the university offers civilization its bright opportunities."

Local Hairdressers Group Has Election

Members of the New Castle Hairdressers' Association met Tuesday evening at a local beauty shop, and the election of officers took place:

President, Kaye Gaston; vice-president, Louis DiGiorgi; secretary, Rita Vesco; corresponding secretary, Dorothea DiGiorgi; treasurer, Helena Granato; trustees, Carl Gaston, Alan Barnette, Catherine Christoffer, Mary Iodice and Veda Martin.

The retiring officers were complimented upon their fine work, and the meeting adjourned.

"MEANEST" THUG BEGINS SENTENCE

PITTSBURGH, Sept. 24.—(INS)—James Turner, 33, of Pittsburgh, denounced as "meanest thug" by Judge John P. Egan, today began serving a three to six year sentence in the Allegheny County Workhouse for beating and robbing a blind woman.

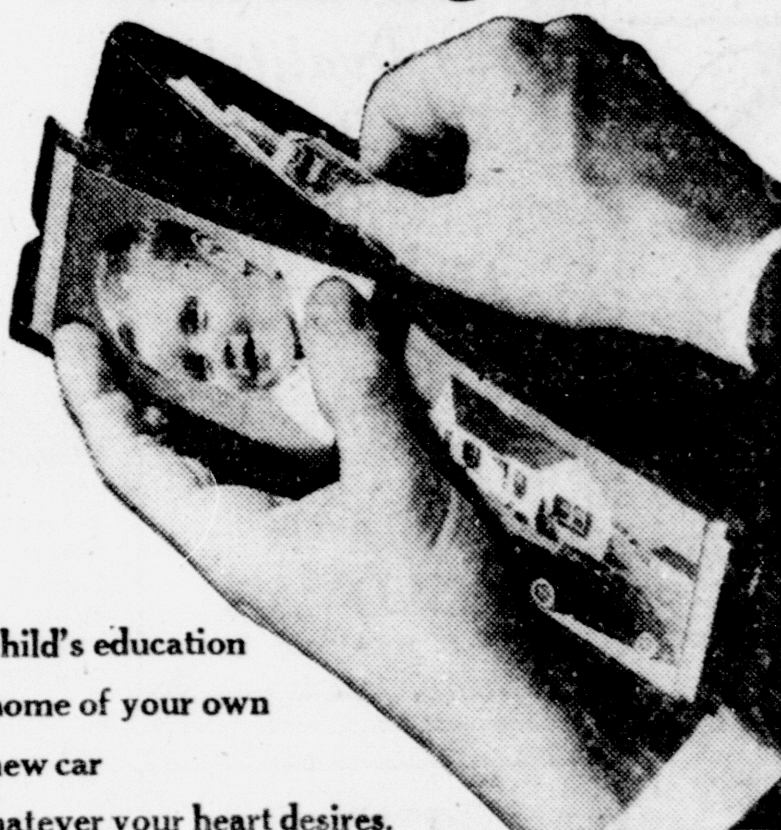

Turner was convicted yesterday on the robbery charge.

Testimony revealed he accosted the blind woman, Mrs. Emma Montgomery, 32, and told her he had been instructed by police to escort her from the street where she was soliciting alms.

He took her into an alley where he beat her and stole her money cup, according to witnesses, who said they chased Turner when they heard her outcry.

Production of diamonds from the mines of South Africa broke all records during World War II.

Court House

Complete Count In City Primary

Return Board Completes Official Tabulations Of City Returns In Primary

OTHER HAPPENINGS IN COURT HOUSE

Official returns of the vote in the primary election of September 9 have been completed by the return board. The returns show only those for city offices, county office returns being tabulated upon a county-wide basis.

In the Republican race for mayor, the official return coincides exactly with that shown by The News on September 10. Earl R. Winner got 3842 votes for the Republican nomination for mayor and Mayor John P. Haven got 6813.

For city council the official vote in the Republican primary shows D. O. Davies getting 4967 votes, Richard I. Davis 5570, Joseph A. De Robbio 2561, and Albert A. Hoyland 5202.

For city treasurer B. N. Hanlon, unsupported for the Republican nomination got 8730 votes which is unusually high for an unsupported candidate.

For school board Alec Samuels got 7626 votes, Wilbur E. Flannery 7949 and W. Fulton Jackson 7355. There are three places to fill.

In the Democratic primary Carl W. Haufier was unsupported for the nomination for mayor and received 1471 votes.

For city council there was but one candidate filed, Clair M. Uber and he received 1292 votes. Charles E. McGrath won the second nomination with 90 write-in votes with Richard I. Davis getting 40 and D. O. Davies 20.

For treasurer B. N. Hanlon won the Democratic nomination with 34 write-in votes.

For school board P. Monaca was high with 97 write-in votes, Albert Joseph was second with 48 write-in votes, Alec Samuels and Wilbur E. Flannery tying for third place with 16 each.

EXPENSE FILED

Mansford B. Hogue who was a candidate for the Republican nomination for county commissioner has filed his expenditures for the campaign as \$331.75.

DODDS BACK—NO FISH

County Controller Andrew M. Dodds is back from a Canadian fishing trip but without any fish. According to Mr. Dodds the reported snow flurries coming and he decided to get out while the getting was good.

He said County Commissioner Karl T. Rohrer disregarded the warning and for all he knows Rohrer may be sitting out in a boat in the middle of a snow storm.

SAFE TOYS

Toys for baby should be too large to swallow, with no points or sharp edges. They should be washable, preferably made in one piece so that they do not come apart, and if any paint is used it should be nonpoisonous.

A Weak, Run-Down Feeling Is Often A Warning

That The Red-Blood Is Getting Low

If you do not feel like your real self, do not have the urge to be up and doing, why not check-up on your blood strength? Look at the palms of your hands, your fingernails, your lips, the lobes of your ears—are they pale and off color?

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent exciting ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Presbyterians Have
Corn, Wiener Roast

K.J.U. Class and M.E.G. Auxiliary
Have Enjoyable Event At
Cascade Park

Members of the K. J. U. Bible class and M. E. G. auxiliary of the Mahoningtown Presbyterian church journeyed to Cascade park on Tuesday evening for their annual corn and wiener roast, their families as guests, with about 50 present.

The event took place in one of the large enclosed shelters within the grove. A large log fire burning in the open fireplace added to the enjoyment of the evening.

All the trimmings were added to the corn and wieners which made it a splendid repast. Rev. Howard A. Redmond, the pastor, gave the invocation.

Following the eats, games and group singing were the pastime of the evening. Dr. and Mrs. F. W. Guy, the latter a former teacher of the K. J. U. class, were present.

The following committee from among the two organizations was in charge of the occasion: Mrs. R. G. Fisher, Mrs. James Miller, Mrs. Wade Daugherty, Mrs. Clifford Comstock, Mrs. E. O. Farver and Mrs. Manley Broadbush.

To Preach Sunday
At Madison Church

Rev. Prof. Walter Biberich of Westminster College, will occupy the pulpit of the Madison Avenue Christian church, on Sunday morning. Prof. Biberich has been on leave of absence for two Sundays.

MABEL WILSON LODGE

Members of the Mabel Wilson lodge No. 967 will meet this evening at 8 o'clock in Eagles hall, South Jefferson street.

Following the business session there will be a social hour, and birthdays will be remembered.

RETURNS TO SHIP

W. Robert Park Y. 2-c has returned to his ship the U.S.S. English, stationed at New Orleans, La., after concluding 15 days leave, visiting with his mother Mrs. S. E. Park of West Madison avenue, and other relatives here. Yeoman Park was

accompanied as far as Cincinnati by his mother, and sister, Mrs. Stephen Hutnick, Sr., 105 East Clayton street.

Begin Stamp Sales
At Mahoning School

United States savings stamps sales commenced this morning at Mahoning school.

The pupils are making their purchases every Wednesday from their teachers, the latter turning over their report and amount into the school office.

During last year these sales were very successful, this school being among the leaders, sometimes first, of the school throughout the city.

WARD POST OFFICE
CARRIERS OFF DUTY

From Mahoningtown post office comes word that Dale Tindall, rural letter-carrier out of that office, is on vacation enjoying a fishing trip in Canada. Mrs. Mae Stroecker is in charge of the route. John Wilson, city carrier from the office, is also on vacation. Francis Benedict from the New Castle office is substituting for Mr. Wilson.

HOPE CHEST CLUB

This evening, members of the Hope Chest club will gather in the home of Miss Rosemarie Dottle, Seventh street, at 8 o'clock.

SEVENTH WARD PERSONALS

Mr. and Mrs. E. H. Park of 923 West Clayton street, and Mr. and Mrs. Russell McConnell of West Madison avenue, have returned from a visit in Pittsburgh.

Mr. and Mrs. Stephen E. Hutnick and daughter Kathleen spent Monday in Sharon, visiting with Mrs. Hutnick's sister and brother-in-law, Mr. and Mrs. George Beben.

Mr. and Mrs. Tony Dudash and Mrs. John Dudash of East Clayton street and Mr. and Mrs. Gene DeNorey have returned after concluding a visit with Mr. DeNorey's parents.

Mrs. Carl Witherow of 211 East Clayton street is confined to her home with illness.

Mr. and Mrs. Clarence E. Bell of 208 North Liberty street have returned from Cleveland where they visited with the latter's sisters, Mrs. Frank Lang and Miss Bertha Poplar.

Mrs. William Spiker of Pittsburgh is visiting at the home of her daughter, Mrs. Carl Witherow and family, East Clayton street.

Broken Main Being Repaired On Diamond

—New Castle News Photo

Workmen are shown pumping water indirectly from the Y. M. C. A. building on the public square this morning following a break in a water main which flooded the basement floor of the structure and also of the "Y" restaurant.

The break was discovered in the early hours of the morning, but some four to five inches of water entered the building.

Iron Lung For Police Department

—New Castle News Photo

Within a short time the New Castle police department will have a Mullikan Respirator or "Iron Lung" for use in rescue work. The Mullikan is a light weight lung and can be carried around. Governor Joe Todd of the Moose and the lodge members sponsored the move and brought the display into New Castle.

The trailer will be on Washington for another day or two and can be seen by all. All contributions made will be added to the fund needed for the purchase of the lung.

Flat-top for Sale

IF THE Navy would allow you to retain the flight deck, it could be used for a seagoing football field or a couple of tennis courts. But if you buy this baby flat-top, the U. S. S. Sangamon, which is advertised for sale, you'll have to agree to get rid of the flight deck. In case you're still interested you can see the ship at Claremont, Va. (International)

With New Castle Afro-Americans

Junior choir of the Second Baptist church will have the regular rehearsal Thursday evening at 7:30 o'clock. Robert Durham, director will be in charge.

Rev. W. L. Engram of Cleveland, Ohio, will preach at the church of God in Christ, Wednesday evening, at 8 o'clock. The members of St. Paul Baptist church of this city be present.

Elder Nolan Brown and congregation of Warren, Ohio, will worship at the Church of God in Christ, Thursday evening, at 8 o'clock.

Dr. H. L. Benning, Birmingham, Ala., has returned from a week's vacation with his sister, Mrs. H. Walker, 245 West Falls street. His visit is the first in 37 years. He was served a farewell dinner before returning to Alabama.

FINANCIAL WIZARD
ENDS PRISON TERM

POTTSTOWN, Pa., Sept. 24.—(INS)—Hugh J. Monjar, financial wizard who headed the notorious Mantle club, was disclosed today to be living in Pottstown following his release from the federal penitentiary at Lewisburg, after serving part of a five-year term and paying a \$49,000 fine.

Monjar, once a \$120-a-month railway clerk, went to prison in 1945 on his conviction of using the mails to defraud and conspiracy. He was accused of using agents to negotiate unsecured, non-interest personal loans for \$1,340,000 from 30,000 members of the Mantle club which was founded in 1938.

Places Second In Group 2 Of State
Association In Annual
Safety Contest

Pennsylvania Power company placed second in Group 2 in the annual safety contest of the Pennsylvania Electric Association, according to the announcement made today at the association's annual convention.

The awards were based on number of accidents in proportion to manhours worked. The contest, which closed on June 30, is the 18th consecutive annual contest sponsored by the association.

Competing companies are divided into three groups—Group 1 comprising companies with a monthly average of over 200,000 manhours; Group 2, those companies averaging 60,000 to 200,000 manhours; and Group 3, those averaging 60,000 manhours or under.

Metropolitan Edison company of Reading won the Group 1 award, with a record of only three accidents in 2,878,244 manhours worked; Group 2 winner was the Pennsylvania Water and Power company of Baltimore; and Group 3 winner, with a perfect no-accident record, was the Natrona Light and Power company.

Accident data for the combined 23 Pennsylvania companies is compiled on the national safety council basis. A comparison of the Pennsylvania companies' record with the electric utilities group of the national safety council shows a frequency rate 46% lower than the national average for 1946. The severity rate of the combined Pennsylvania companies was 40% lower than the national severity rate.

Letter Carrier On Naval Cruise

Robert C. Forrest, chief gunners' mate during World War II and at present a letter-carrier at the New Castle post office, is enjoying a two-weeks Naval Reserve cruise aboard the USS "Rochester".

The voyage will take Mr. Forrest to Bermuda and return, during which time he will be trained in the Navy's most modern weapons.

Mr. Forrest resides at R. D. 2, city.

DUNC

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, Sept. 24.—Beautiful Alexis Smith, who generally plays goody-goody girls on the screen, gets a chance to drip sex in her new Warner opus, "Christopher Blake."

The only trouble was that when your reporter saw her she was wearing a halo.

Alexis steadied her head to keep the halo from bobbing around and explained:

"It's your own fault, John. You came the wrong way. Right now I'm playing virtue, with a capital V too."

She hesitated a moment before continuing:

"I don't like this halo as well as

the first one I had. The other one was all white. This one has a tiny black rim running around the inside. I don't quite understand it."

"Maybe this one is supposed to be tarnished," I suggested, but Alexis shook her head and the halo bobbed around wildly.

"Oh no, you don't understand," she said, "you see there is a boy in this picture who dreams. In one of these I represent everything that is good in womanhood. That's the way I am now, with the halo. You can see it could not possibly be tarnished."

"But, wait till you see me in my other dream role. I represent everything that is bad. I slink."

Donna Reed Busy

Donna Reed has been one very busy girl since M-G-M loaned her to Paramount to play the heroine in "The Long Gray Line." First she had to go back to West Point on location.

While she was there, a deal for a Beverly Hills house she and her husband, Tony Owen, had been dickering on for months, finally went through. Passing through New York City, Donna tried to buy linen. But, it's pretty bad to shop while you're on the fly.

Donna is still trying to get furniture and things so they can move in. She and the family are preparing to live like campers for the first few weeks.

Cheryl Likes Allen

Roy Rogers is the king of all the screen cowboys, but his eldest daughter, Cheryl, six, is a great admirer of Allan "Rocky" Lane, another cowboy at Republic.

The other evening, when they were having dinner, Cheryl asked her Dad if they couldn't invite Allan to dinner some night.

Roy said sure, that he'd arrange it in a couple of days.

Cheryl demurred at this, then said:

"But Daddy, I just lost two teeth. Can't we wait until they grow back in."

Whereupon Roy's four year old, Linda, remarked:

"If you'd keep your mouth shut some of the time, the gaps wouldn't show so much!"

Former Local Man In Industrial Post

Eugene G. Cartwright Of Youngstown, Industrial Relations Manager In Sharon

SHARON Sept. 24.—Appointment of Eugene G. Cartwright, of Youngstown, as manager of industrial relations at the General American Transportation Corporation's Sharon plant has been announced by General American officials.

Mr. Cartwright is a native of this city and is a graduate of Ohio State University. He was formerly an industrial relations consultant with offices in Youngstown.

How WONDER BREAD Helps Build Strong Bodies 8 Ways!

Note How Amazing Wonder Bread Compares with Meat, Milk and Fish in
Certain Growth and Energy-Building Contents (as stated at right)

EVERYBODY knows the foundation of good health is good nutrition.

Science now says that better nourished children learn better.

Yet, despite the fact that children do 60% of school work in the morning—7 out of 10 fail to get a good breakfast.

Thus, to start your child off on the day right, you are urged to give your child a good breakfast.

Serve the basic "Wonder 4" Breakfast. And add more of the same and other foods, according to age and appetite. The better the breakfast, the better your child.

Serve Wonder Bread to your child—Wonder Bread gives your child 8 of the body-building elements Nature uses to build a good health foundation.

See for yourself, at right, the 8 ways Wonder Bread helps build strong bodies.

Your child will love Wonder Bread. Because it tastes so good. So good because so fresh. Plain or toasted.

For Wonder Bread is doubly fresh. Fresh when you buy it and fresh when you eat it.

Because Wonder Bread is slo-baked—baked 13% longer than many ordinary kinds for lasting freshness.

So get nourishing doubly fresh Wonder Bread from your grocer today. And see that your child gets plenty of Wonder Bread for breakfast—and every meal!

STITCH IN TIME KEEPS CLOTHES WEARABLE

After you purchase a new garment, check it over before you wear it and make any necessary reinforcements as insurance against that embarrassing moment when a button pops off or a seam splits.

Here are some tips to banish that fear of sudden embarrassment. If stitching in the seam is uneven or loose, restitch it for extra strength. Narrow seams are likely to fray and pull out. Praying can be stopped by overcasting the raw edges or running machine stitching near the edge. Armhole seams often pull out because the stitching is loose or the seam allowance is too narrow. It is wise to reinforce armholes with a double row of stitching very near the original seam.

Loosely sewed hems should be reinforced. Try the skirt on and check for evenness and length, then re-hem it with secure, inconspicuous stitches.

Carelessly made buttonholes detract from the appearance of a new garment and tear out quickly. Once torn out, a buttonhole never looks neat again. For a neat look, rework buttonholes with the buttonhole or blanket stitch.

To avoid losing buttons, snaps and hooks, sew them on firmly. There is always danger of catching a zipper just when you are hurrying most if you are careless about dangling threads. Check all loose threads and cut them, tying those which need to be secured.

Various plans for a Panama canal date from 1523.

Martin Gantz Reunion Plans Are Progressing

Plans are rapidly progressing for the 15th annual Martin Gantz reunion, which will be held September 30 in the Scottish Rite Cathedral.

A full course turkey dinner will be served at 6:30 o'clock, and following Arch Cubbison has planned a fine entertaining program.

Officers in charge this year are: president, Karl Rohrer; first vice president, Arch Cubbison; second

vice president, Reed McCullough; secretary, Mrs. Kathryn Kibbreath; assistant secretary, Miss Maude Mitchell, and treasurer, Clare Duff.

All of the cards have been mailed and reservations should be made as soon as possible. The executive committee again extends to every former teacher or pupil of Martin Gantz school, and their members of the family, an invitation to attend this reunion.

Reservations can be made by contacting Mrs. Edward Kibbreath, 417 East Northview avenue, or Miss Maude Mitchell, in care of Henry A. Bratschie, of 510 Reis street.

The most abundant natural resources of Australia is said to be rabbit skins.

Columbus Club And Lawrence Indies Start City Title Series Tonight

Fans Will Jam Flaherty Field, Rivalry Intense

Will Start Game At 7:15 O'Clock, Fred Shaffer Will Pitch For Columbus Club

Intense rivalry will draw a banner crowd to Flaherty Field this evening for the opening game of the city baseball league championship series, between the Columbus Club and Lawrence Indies, slated to start at 7:15 o'clock.

The early start was hit upon so that as many night turn workers as possible can see the heated series. Fans have been talking about this series and are anxious to see the rivals tangle.

Shaffer Vs. Michael
It will be a pitching battle this evening with the veteran American Association hurler Fred Shaffer going for the Christopher Columbus Club and Michael for the Lawrence Indies. Michael is from the Beaver Valley.

The Columbus Club lines up tonight with a strong array to challenge the 1946 champions—"Babs" Orlando at short, formerly with Bluefield, West Va., a Boston Braves farm, Jimmy Tropea in left field, formerly with the Baltimore Orioles in the International League, Henry Marshall in center field, formerly with Erie in the Mid-Atlantic league, Ed Gonet the Grove City College star who played with York in the State league, "Monk" Rainey, Abie Orlando, Joe Mingione and Tony Compello complete the Columbus roster, of well known local stars.

Indies Are Strong
The Indies will present a strong lineup also, with Johnny Magusak formerly with Salisbury, N. C., a Pirate farm, at short, Jim Mosley at third, Eddie Kozela at second and "Cab" Mrozek at first, Henry Kozela in left, Rudy Harvatine in center and Kosior in right, with Smiley doing the catching.

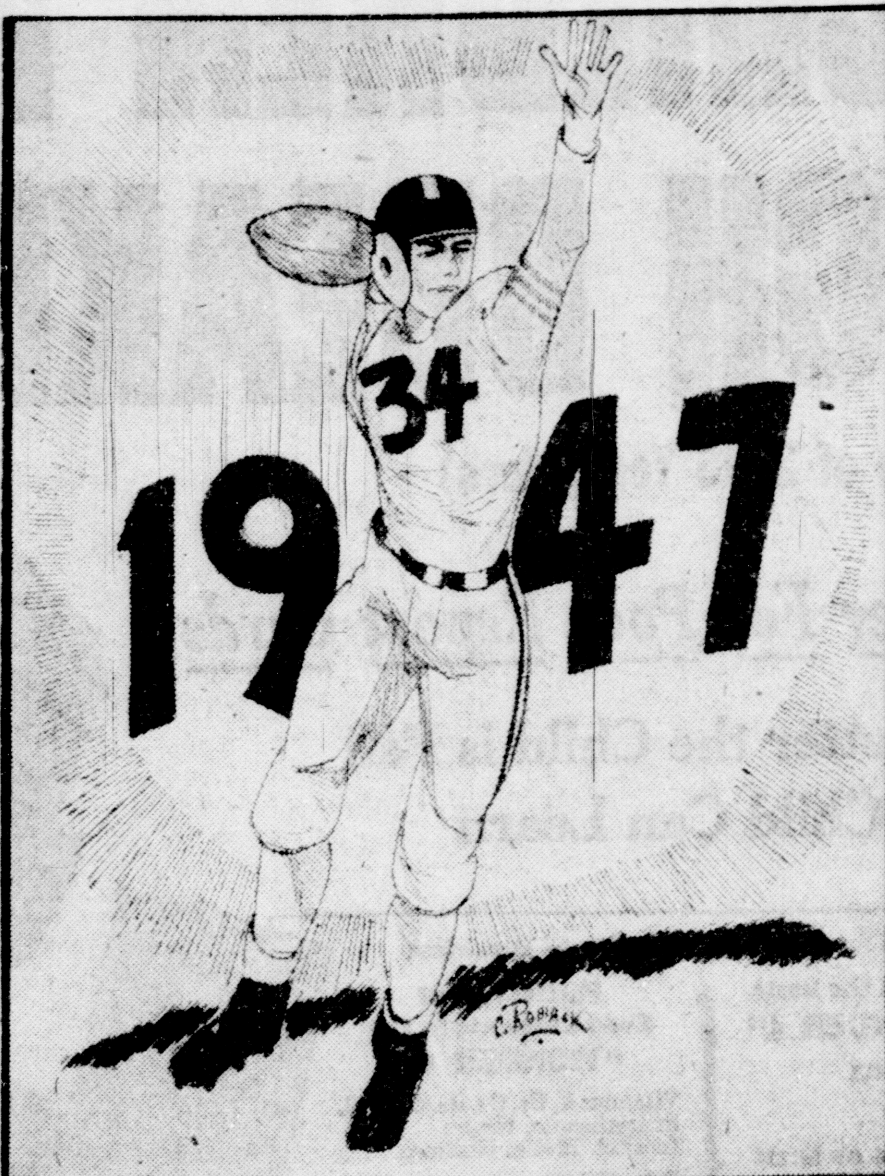

Fans will see just about the best in New Castle in baseball talent in the series.

"We expect to wind the series up in three straight," Mike Orlando, general Columbus Club manager said today. Columbus Club is banking on the veteran Shaffer for two wins in the series.

Columbus Has Edge
Manager George Zidow of the Indies was not too confident as his team entered the big series, "pitching is our biggest worry," he said today.

The second game of the series will be played Sunday at the new Indies field off Mahoning and Atlantic avenues, starting at 3 o'clock.

Slam-Bang College Football Season Starts On Saturday

Each autumn when the leaves begin to color and the air becomes brisk, Dame Nature's seasonal transformation seems to do something to sports writers and collegiate publicity men.

Glowing phrases about the "great season ever" fall from their typewriters like leaves from the trees as the U. S. gets its exhaustive build-up for the king of sports.

We are not one to deviate from the well-worn path and even if this season does not smack of the colossal and no immortal giants emerge at December's dawn, the nation seems to have definitely passed the rag-bag war years era and embarked once more into a "golden era."

The 1947 season should be more interesting, with all-around better teams competing in each section and attendance reaching the point to bulge the stadia of the country.

Big Games Saturday
The annual fall drama will open with Act One scheduled for this Saturday with some exciting clashes offered.

The big name schools seem to be veering away from the "cinch" opener, and such collisions as California-Navy, Pitt-Illinois, North Carolina-Georgia and Minnesota-Washington look like the array of opponents for New Year's Day.

Eastern eyes will focus on the Black Knights of Army, B-D-less this year (without Blanchard and Davis to who may wonder) as the Black-coached Cadets tangle with potent Little Villanova. With only a tie with Notre Dame marries three terrific years on the gridiron.

the pundits are saying that this is the year the Mule will be mauled and a hale and hearty list of the opposition rubs its collective hands in anticipation.

Fall At Illinois
Pitt's dull-clawed Panthers, playing a mad-eater schedule with only average material, will start their season under another coach, Mike Milligan, against Illinois' Rose Bowl champs at Champaign. It looks like another long and rough afternoon for the Cathedral of Learning boys and there's just no future—Notre Dame comes to the Smoky City the week following.

Speaking of Notre Dame, experts say the season will begin and end with the Irish of South Bend. A special manual of adjectives has been printed this year for belated writers when the Leahy Legions appear in their own—so stupendous is the team billed. On paper at least the national champs seem to have it three deep, even to the annual crop of Czoborskis, Swistowicz and Zalejskis.

Tough To Dope
The common herd of Monday Morning Quarterbacks (such as you and me) will be busy with pencil and pad figuring the odds and points on such bewildering pairings as Indiana-Nebraska, Purdue-Wisconsin, Alabama-Tulane, Georgia Tech-Tennessee, L. S. U.-Rice and Northwestern-Vanderbilt.

Each year we shudder to think of spending hours in traffic with the possibility of ending up with a wrinkled fender—we moan when we dispatch a five-spot to the school for those perches behind the goal posts, and we grumble when the "battle of the century" turns out to be a slow 0-0 tie with about as much action as an afternoon of croquet.

But if all those other guys can shoulder their way through the turnstiles I can too, we conclude. See you at the game—we may as well launch this 1947 season right!

Waynesburg Signs Frankie Gustine As Floor Coach

PITTSBURGH, Sept. 24.—(INS)—Frankie Gustine, popular third baseman of the Pittsburgh Pirates, will coach basketball at Waynesburg, Pa., college during the coming winter.

Dr. Paul R. Stewart, president of the school, made the announcement last night during the Pittsburgh-St. Louis baseball game. Gustine starred in basketball while in high school at Chicago, and was sought by several Big Ten schools before his graduation. In the meantime, however, Harold C. (Pie) Traynor, then manager of the Pirates, signed him to a baseball contract and he never competed in college athletics.

He will succeed Ray Welsh, who resigned last month to become athletic director at East Stroudsburg, Pa., Teachers college.

Burry Hopes For Strong Swim Team

NEW WILMINGTON, Sept. 24.—In an effort to find talent for his Westminster college swimming team, Harold Burry has scheduled a freshman swim meet in the college pool Thursday afternoon.

The Titan swimmers are working out regularly in preparation for the coming campaign. Bob Hall, who was the squad's top point maker last winter, and Ted Holt, ace backstroke man, will return as ground work for the Titan coach to rebuild.

Burry hopes to locate a first rate breast stroker among the new freshmen as well as men to add depth to the already strong positions.

Titans Looking For Tough Game

NEW WILMINGTON Sept. 24.—With the lights on the Westminster college 1947 football season only a few days away, Coach Mel Hetzler is brushing up the rough spots in the team offense.

Slippery Rock State teachers invade the Titan lair on Saturday for the 47 inaugural. Bill Storer reportedly has a much stronger team than the eleven that played the Titans to a scoreless tie at Slippery Rock last fall.

Rockets Are Hopeful
Football has again taken the limelight in Slippery Rock's sports circles as the Rockets prepare for a grueling 1947 season. Head Coach William Storer has had only two weeks in which to develop a starting eleven for action on Saturday, when the team will travel to New Wilmington and meet the Westminster Titans. Slippery Rock again finds itself with a comparatively small team and offensive action will once more depend on speed and stability.

This year's edition of the Green and White will be built around such 1946 standouts as Blair Hildebrand, Chuck Klausner, Ray Nedwiedek, and John Adamczyk, all linemen.

Have Fine Spirit
Veteran backfield men returning this year include Paul Uram, Dick Murray, and Tom Wilson. Hildebrand will be remembered as last year's captain and all-state honorable mention guard. Leading the team this year as co-captain will be Klausner and Nedwiedek, each with big school experience at Penn State and Notre Dame respectively, prior to entering Slippery Rock.

A high spirit of enthusiasm has prevailed throughout the conditioning period as well as seriousness in work. Many freshman candidates have shown high prospects and will undoubtedly be valuable in filling the necessary reserve positions.

Herman's Fate Still Undecided

PITTSBURGH, Sept. 24.—(INS)—Billy Herman's tenure as manager of the Pittsburgh Pirates remained in doubt today as three of the four owners of the National league ball club continued a closed meeting at which failures and success of the past season were reviewed.

Neither the owners nor other officials who sat in on the meetings would say whether Herman's managerial future had been discussed as yet.

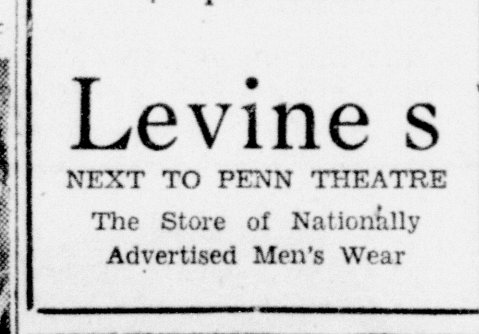

No Word On Herman
Frank McKinney, president of the club, announced after a day-long session Tuesday that most of the time was spent discussing the club's farm and scouting system with Chief Scout Ted McGraw, and added:

"While we are meeting this week, it (the managerial question) will be included among other items that might call for corrective measures."

Dr. Paul R. Stewart, president of the school, made the announcement last night during the Pittsburgh-St. Louis baseball game.

Gustine starred in basketball while in high school at Chicago, and was sought by several Big Ten schools before his graduation. In the meantime, however, Harold C. (Pie) Traynor, then manager of the Pirates, signed him to a baseball contract and he never competed in college athletics.

He will succeed Ray Welsh, who resigned last month to become athletic director at East Stroudsburg, Pa., Teachers college.

Favored To Win Diamond Title

Bob Baker Of Pittsburgh, Is Reported To Be One Of Pittsburgh's Best

There should be no dearth of punching when Ritz Ronzi, Youngstown, battles Bob Baker, Pittsburgh, in the main three round amateur heavyweight fight in The Arena, Monday night. According to reports received by Tommy Leach, matchmaker of the Jefferson A. C., Baker is an outstanding amateur of Pittsburgh and is expected to capture the Diamond Belt Heavyweight title this winter.

If Baker proves to be the slugger that Ronzi is, the fans can expect a punch-for-punch fight. Ronzi has never backed away from anyone. His one knockout came at the fists of Elkins Brothers, whom later, Ritzier knocked down at Farrell.

Pete Misto, the veteran welterweight of Youngstown, who has achieved victory after victory in the local ring, will tackle a newcomer, Nelson Taylor of Warren, at 147.

Anxious To Please
To atone for a slow fight here recently, Bill Bradley of this city, promises he will accomplish this when he battles Omar Dart, of Pittsburgh, who will be making his debut, at 160.

Jackie Evans, of this city, who claims he was weak from the flu, in his first fight here, and lost the decision, will tackle another newcomer, Cecil Johnson of Pittsburgh, at 135.

The balance of the docket is said to be composed of sluggers, as follows:

Frankie Lentone, Youngstown vs. Bob Sutherland, Warren, 118; Tommy DeSantis, Youngstown vs. Charlie Bratton, Youngstown, 120; Jimmie Carkido, Youngstown vs. Mike Szvada, Sharon, at 124 and Billy Underwood, Youngstown vs. Hemp Adams, Pittsburgh, at 126.

Most of the boxers on the calendar are newcomers, hence they will be anxious to win and assure themselves of future bookings.

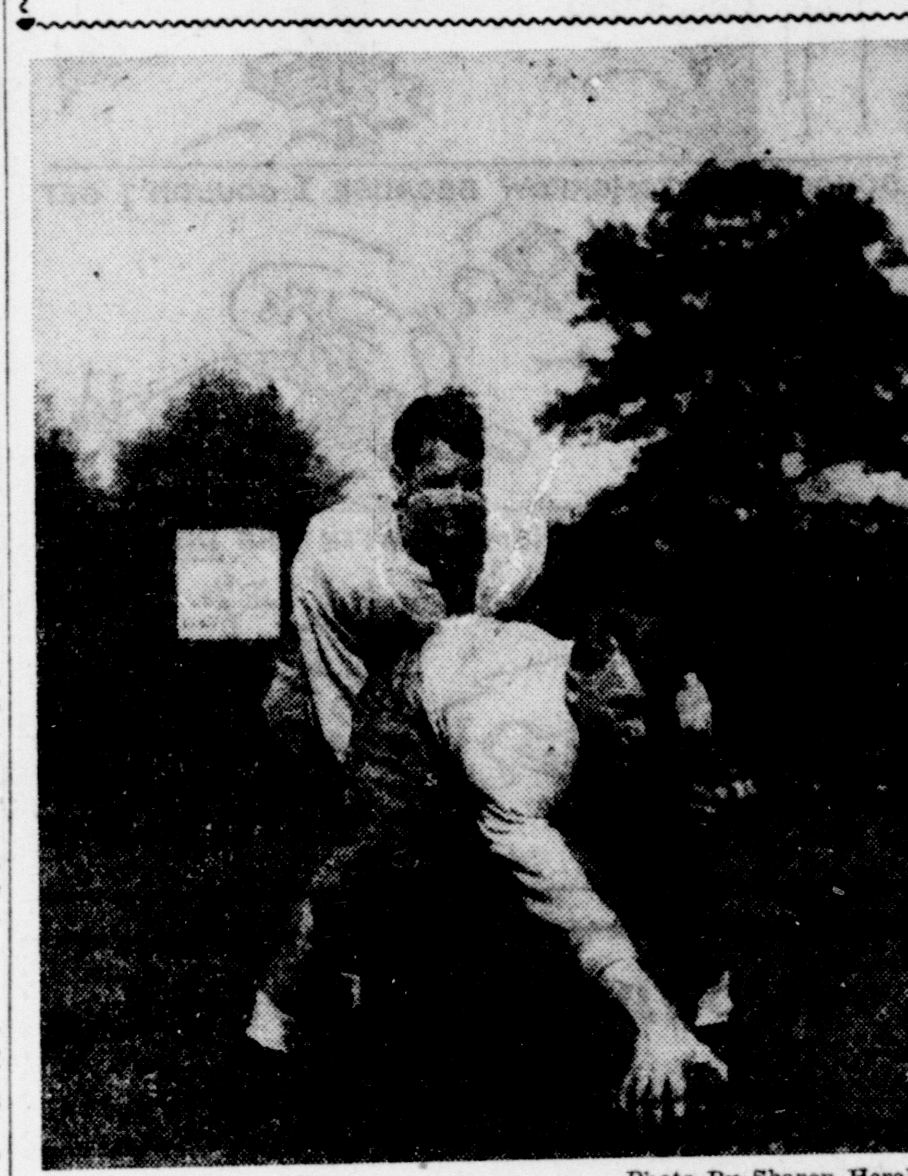

Pirates Buy New Outfielder

PITTSBURGH, Sept. 24.—(INS)—The Pittsburgh Pirates today announced the purchase of Outfielder Joe Grace from Washington Senators in the American league.

Grace came to the Bucs for the \$10,000 waiver price. The 32-year-old left hand fielder of Gorham, Ill., was picked up by Washington following his release from the St. Louis Browns early this season.

Grace joined the Browns in 1938 and spent four years in the Navy. He rejoined them in 1945. He batted .248 while with Washington.

Wally Jones Of Sharon Ready For 'Canes

Wally "Wah-Wah" Jones, the brilliant quarterback whose aerials raked New Castle in 1946, takes the ball from center Ray Grimm in practice, as the Tigers drill for their meeting with the Hurricane here Friday night.

Jones, one of the all-time greats at the Mercer county school, is expected to give the Bridenbaugh men another hectic evening. Grimm has beaten Tom Welch out of the snapper-back post and will probably start against New Castle.

Paul's Sally Wins 15-Inch

Paul's Sally, owned by H. D. Yeager, Volant, captured first place in the 15 inch All Age female class run Tuesday by the Shenango Valley Beagle club at Volant. Other entries finished as follows:

Second, Richard's Lindy, owned by Second, Richard's Lindy, owned by Harry Richards, Ellwood City.

Third, Shaffer's Queen II, owned by Wilbert Shaffer, Mannington, W. Va.

Fourth, Hosey's Brownie, owned by Paul Hosey, Rimersburg.

Reserve went to Lo Baugh's Flash, owned by Hutchison and Hosey, Rimersburg.

There will be run today a class in the 15 inch All Age dog class and the 15 inch dogs class will be finished Thursday.

There will be a social gathering at the club house tonight, according to Secretary John Greer.

County League Meets Tonight

Important meeting of officers and managers of the Lawrence County Baseball league will be held tonight beginning at 7:30 in the Sporting Goods store.

All concerned are asked to be prompt in attending, as vital matters concerning the 1948 season are due for discussion.

BEARS SIGN MATHESON
CHICAGO, Sept. 24.—(INS)—Jack Matheson, veteran Detroit Lion end, was added to the Chicago Bears' roster today. The Bears obtained Matheson on waivers. He is a former Western Michigan star, 6 feet 2 inches tall and weighing 235 pounds. Matheson is rated as a superior pass receiver.

Slammin' Sammy Sneed, winner of the British Open in 1946, is the latest big time golfer to enter the \$10,000 Reading Open at the Berkshire Country Club.

New Castle High Awaits Invasion Of Tiger Squad

Interest Mounts As "Red Hurricane" Prepares To Seek Revenge On Sharon

A stalwart New Castle High "Red Hurricane" eleven is serious this week as it prepares for the battle here Friday night with the snarling Tigers of Sharon High at the stadium. New Castle is gunning for its second Class AA victory.

With a "Beat Sharon" chant being set up at the school, intense interest in the game is being manifested by the fans also, as shown by the extra-heavy demand for tickets. The short supply on sale at the Sporting Goods store this morning was quickly exhausted.

Are Digging In
Still smarting under that 24 to 6 licking handed them last year at Sharon, the young men are digging in deep this week as they get ready to oppose the Tigers on the home field.

The "Red Hurricane" players are hitting hard, charging fast and brushing up on their blocks this week. The Tigers are going to find a different team than the one they patted last year.

New Castle has the most impressive record on paper to date, but this doesn't mean a thing in a rivalry game the likes of the one to be unfolded here Friday. New Castle holds a big "series edge" having won 16, lost 6, and tied 5 with Sharon since the relations began back in 1912.

Watch "Terrific" Jones
Watch "Terrific" Jones, number 78 is the byword on the New Castle High team this week. Mr. Jones is the sensational passer who made a shambles of the New Castle High defense last year as he passed the locals into a state of confusion.

There is no question that Sharon will try to outsmart the Phil Bridenbaugh charges again this year with Jones pitching. The receivers will be Bell, Ruffo, Kawana and McDade in the backfield, and Kapsa and Bedich on the ends.

Sharon will find New Castle ready Friday night to answer the challenge.

Men's American Field Hunting Coat

Here is a coat that will please the most particular hunter in a small game hunting coat and it's moderately priced.

It is made of heavy duck (water repellent) material with bi-swing back. Has two large size pockets with shell pockets that will hold twenty shotgun shells, two breast slashed pockets and large game pocket across the back—the game pocket is rubber lined and can be dropped for washing. Sizes 40-46.

Priced at **\$6.95**

Clubs Fight To Finish In Money

Keenest Race For Show Money Is In American League, Kiner Hits His 51st

(By International News Service)
The fight for "place" and "show" in the major leagues will be just as rugged as the battle for first was. Today, at least six, and perhaps seven teams in the majors have a fine chance of finishing in the runner-up spot in their respective leagues.

The American league offers the keenest struggle. The Tigers, the Red Sox, the Indians, and the Athletics all have a good chance of finishing second.

Tigers Advance
Yesterday, the Tigers took possession of second place and dropped the Red Sox to third by a half game. Prince Hal Newhouse, neatly scattered 10 White Sox hits to gain credit for a 4 to 1 triumph, his 16th.

The Red Sox and the Athletics got involved in a twin-bill. The fourth place A's took the opener 9 to 3 behind the fine pitching of Phil Marchildon.

The Red Sox came right back to win the nightcap, 6 to 5.

The Cleveland Indians remained right behind the Red Sox, creeping to within a game of third place by defeating the last-place St. Louis Browns, 7 to 4.

Cards Bump Pirates
In the National league, the St. Louis Cardinals bounced back from the shock of their pennant loss to club the Pittsburgh Pirates 8 to 4.

The Cards, who are only two games ahead of the third place Braves, clipped Fritz Ostermeier and Al Lyons for 13 safeties including home run blasts by Whitey Kurowski and Chuck Diering.

Kiner Hits 51st
The Pirates, husky Ralph Kiner blasted circuit No. 51 to go one home run ahead of Johnny Mize in the major league home run race.

Mize went hitless in the Giants' game with the Dodgers. The Brooks continued their mastery over the New Yorkers by drubbing them for the 14th time this season 6 to 1.

In the only other game played in the National league, the Chicago Cubs erupted for seven runs in the fourth inning to overcome the Cincinnati Reds 7 to 2.

The New York Yankees, coasting to their world series engagement with the Dodgers exhibited superb pitching in topping the Washington Senators twice, 2 to 0, and 3 to 1.

BURTON FAVORED

CHICAGO, Sept. 24.—(INS)—Gene Burton, hard-punching Negro lightweight of New York, was an 8 to 5 favorite today to take the measure of Danny Kaplow, Brooklyn puncher, when the two meet in a 10-round bout at the Chicago stadium tomorrow night.

CHAVEZ WINS BY TKO

LOS ANGELES, Sept. 24.—(INS)—California Featherweight Champion Carlos Chavez held today a ninth round technical knockout victory over Luis Ramos, the Puerto Rican cannonball.

Ellwood High Farrell Clash Rated Toss-Up

Wolverines Hope To Hit Victory Trail Against Steelers Friday Night

ELLWOOD CITY, Sept. 24.—Ellwood high's Wolverines are wondering if they perhaps are not in a perplexing "football rut."

In 1946 the Croft men opened their season against Brownsville and lost, 21-0. On the successive Friday night they met Rochester and were humbled, 19-0. This season they again met the "Brownies" and stumbled, 24-0, and last Friday night Rochester dumped them, 21-0.

Hope To Top Steelers

If the "Wolves" record runs to form they should take Farrell this Friday night under their home arch. Last year it was the Steelers that provided the "stopper," with the Blue and White warriors victorious, 13-0. This win bolstered the squad's morale and they went on to whip Clairton and highly-touted Ambridge to salvage some glory.

Farrell, making a new start on district grids under the tutelage of Coach Anthony Paulekas, have already tasted the bitter dregs of defeat, losing to Vandergrift in a class AA scrap last Friday, 12-0. The Steelers previously had whipped Greenville 18-6 and deadlocked Meadville, 7-7.

Seek Offensive Spark
Coaches Croft and Gills of the Wolverines are worried about their defense which has been negligible in the past two games. Such speedsters as Watterson, O'Hara, O'Brien and Warnock are due to break loose however and Ellwood fans hope it will be this week.

Area Accountants Plan Plant Visit

Members of the Youngstown chapter, National Association of Cost Accountants have been invited to visit the plant and offices of Shengango Pottery and will take advantage of that invitation today, it is announced.

After observing plant operations on a guided tour, starting at 1:30 p. m., the guests will return to the company's offices to study the accounting system used to handle the problems peculiar to the pottery industry.

This evening, a fellowship period and dinner at The Castleton hotel is planned at 6 o'clock. At 7:30 o'clock, the first discussion forum meeting of the Fall season will be held with Raymond K. Sparrow, of MacKenzie Muffler Company Youngstown, as leader. The subject of the discussion will be "Definitions and Purposes."

Officers and director of the club will also hold a board meeting following the discussion forum.

HERE AND THERE IN SPORTS' LAND

SOME nice sized large-mouth are being taken from Crystal lake, according to D. O. Davies, II. It can only be fished from a boat.

Ernie Lombardi, veteran hard-hitting catcher of the Giants, has been unconditionally released.

Tony Penna took the North Fulton, Atlanta, Ga., open with a 281, one stroke ahead of Jimmy Demaret.

There should be more than one general admission window open at high school football games.

Decision of high school ticket committee to limit sales to four tickets, is a good move.

Elkins Brothers fought in Washington, D. C., Monday night, but the result is unknown here.

Bob Baker, who battles Rizieri Ronzi, Monday night, here, is favored to capture the Diamond Belt heavyweight title of Pittsburgh, this winter, hence he must have something.

Bill Bradley is a member of the Pittsburgh team which battles tonight in Boston. He is managed by Tom Bowler of Pittsburgh.

Ernest Keith, said to be from New Castle, will box Otis Sharon, Franklin, lightweight, at Titusville, October 7. Keith has never boxed here.

Billy Pozza will oppose Art Everett of Pittsburgh, in the Dapper Dan show, September 30, at Ellwood City.

Ed. Khien's bird, "Champ" won the Venango Homing Pigeon club's 300-mile race, from Richmond, Ind., to Oil City, "Admiral," from the loft of Harry Whitehill, was second. Years ago pigeon racing was conducted here.

Martin Molony, Irish steeplechase rider, will be seen in action in the Rolling Rock Hunt Race Association, Ligonier, October 1 and October 4. Proceeds will go to the Industrial Home for Crippled Children.

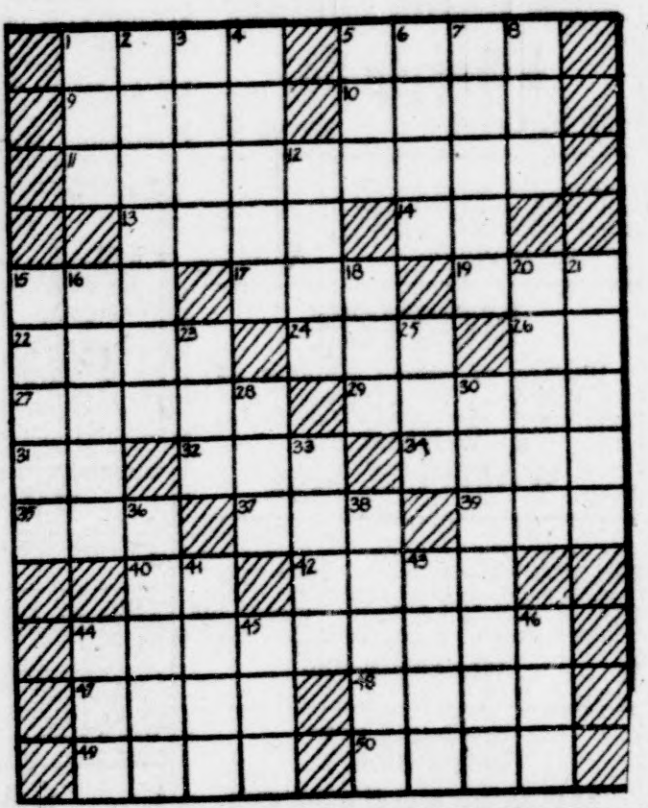

Tomorrow night in the Arena, Youngstown, Cnet, Vinci, Rome, N. Y., will box Sonny Horne, Niles, at 160.

Harrisburg Post 27 holds the state Legion baseball championship. They defeated Ambridge Post 341 at Harrisburg 11-3 and 6-0.

Charles Whipple, Greensburg, holds the state small-bore rifle championship. He came through over Wayne Moore, Washington, Pa., national champion. Whipple holds the world's records in 50 and 100 yard iron sights and 30 meter, any sights shooting.

Evans City Poses Union Hi Barrier

Powerful "Big Red" To Appear At "Scottie" Field Thursday Night In Game

Union high's gridlers, invigorated over hitting the victory column against George Junior Republic last Saturday, are working hard to hurl back the challenge of the Evans City "Big Red," who will appear at the Scotland Lane field Thursday night.

Coach Chuck James of the "Scotties" said today that his lads came through their last test minus any injuries and will take the field in good physical shape against the strong Butler cougars.

Highly Touted Eleven

The Evans City machine is drawing much praise in their ballwick, and have notched three impressive wins so far—over Mercer, 32-0, Rimmersburg, 31-0 and Bessemer, 7-0. Heavy duty offensive work is done by Dunbar and Fyock, driving backs, whose running has featured the victories. Up front E. Carey and Beahn are stalwart linemen, who have been leading a great charge.

"Scotties" Peppy

Enthusiasm is running high at the Union school and James and his assistant "Buck" Rousseau claim that the team figures it can give the Big Red an interesting evening and perhaps even topple them from the unbeaten ranks.

The following lineup will probably take the field for the "Townshipers": Pilshaw and Kendra, ends; Broad and Garbett, tackles; Fowler and Auer, guards; Vigne, center; Radabaugh, quarter; Schell and Travers, halfbacks and Conti at full.

Kick-off is set for 8 p. m. EST.

Has Army Lost It? Villanova Eleven May Provide Clue

VILLANOVA, Pa., Sept. 24.—Safely through its first test, the Villanova College football squad is busy preparing for its important meeting with unbeaten Army on Saturday, Sept. 27th, at West Point.

Except for the usual game bruises, the Main Liners came through the 60-0 Kings Point triumph in good condition. In addition, Halfbacks Joe Rogers and Bill Zehler rejoined the club this week after missing the opener.

Coach Jordan Oliver, who has seen Army power at its best every season since 1943, will take practically the same squad to West Point that dropped a 35-0 verdict in 1946. Yet he feels the Villanovans have gained valuable experience since then, and many players have overcome the service layoff.

We're not going up to West Point proclaiming that we're going to end Army's streak. But our boys have worked together for a season and have more experience. It's a question whether we have improved and Army has slipped the 35-point difference of last season," he said.

Sforza Claims
Italy Is 'Safe'
From Red Control

PARIS, Sept. 24.—(INS)—Italian Foreign Minister Count Sforza declared that there is no danger of communists "taking immediate control" of the Rome government when American troops leave Italy.

Before leaving Paris, where he attended European economic conference sessions, Count Sforza said his country needs American emergency economic aid as soon as possible "if trouble is to be avoided."

He asserted that the communists, although not in official control, do govern Italy. Count Sforza added: "The communists not only lack the support of the Italian people but would be afraid to take control of the nation without bread."

"They are awaiting a more opportune time when they believe they might have a chance to remain in power."

"Now they know they would be thrown out immediately."

The foreign minister said the Italian people do not want a revolution but that if America does not supply them with "great quantities" of food in the next ten months they will be pressed for endurance.

He concluded by saying: "Then the situation could become very dangerous."

MEXICAN PAPER
TELLS OF ATOM
BOMB DEFENSE

MEXICO CITY, Sept. 24.—(INS)—The Mexican newspaper "Novedades" maintained today that a newly discovered secret defense against atom bombs will make the Americas safe from atomic attack.

The unconfirmed report told of the development of a nuclear energy beam that can be projected against a detected bomb at a distance of 30 miles and explode it in mid-air.

Although the newspaper did not name its informant, the article published yesterday asserted that the source was a Mexican close to the U. S. Atomic Energy commission.

RELIEF OUTLAY
\$7,588,000 FOR
MONTH OF AUGUST

HARRISBURG, Sept. 24.—(INS)—Relief expenditures during August totaled approximately \$7,588,000, it was reported by the state department of public assistance.

The Federal government paid \$2,778,000 of the relief bill in grants for old age assistance and aid to dependent children, the department added.

The state's share of the cost went for general assistance, blind pensions and its share of old age and aid to dependent children payments.

During the week ended Septem-

ber 13, relief was extended to 298,186 persons or 680 fewer than during the previous week.
